Notice of 32 nd Annual General Meeting	: 2-12
Board's Report & Annexures	: 13-32
Standalone Financial Statements	: 33-77
Consolidated Financial Statements	: 78-121

Disclaimer:

In this Annual report, we have disclosed forward-looking information to enable investors to comprehend our prospects and take informed investment decisions. This report and other statements – written and oral – that we periodically make contain forward- looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipates', 'estimates', 'expects', 'projects', 'intends', 'plans', 'believes' and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in assumptions. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should know or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. We undertake no obligation to publicly update any forward-looking statements, whether because of new information, future events or otherwise.

NOTICE OF ANNUAL GENERAL MEETING

Notice is hereby given that the Thirty-second (32nd) Annual General Meeting (“AGM”) of the Members of **Medinova Diagnostic Services Limited** (“the Company”) will be held on **Wednesday, September 3, 2025, at 11:00 a.m.** (IST) through Video Conferencing/Other Audio-visual Means (“VC/OAVM”) facility, to transact the following business:

ORDINARY BUSINESS:

1. To receive, consider and adopt the Audited Standalone Financial Statements of the Company for the financial year ended March 31, 2025, and the Reports of the Board of Directors and Statutory Auditors thereon.
2. To receive, consider and adopt the Audited Consolidated Financial Statements of the Company for the financial year ended March 31, 2025, and the Report of Statutory Auditors thereon.
3. To appoint a director in place of Dr. Sura Surendranath Reddy (DIN: 0108599), who retires by rotation in terms of section 152(6) of the Companies Act, 2013, and being eligible, offers himself for re-appointment.

By the Order of the Board
For Medinova Diagnostic Services Limited

Date: May 3, 2025
Place: Hyderabad

Sd/-
Sunil Chandra Kondapally
Managing Director
DIN: 01409332

Notes:

1. Explanatory Statement(s) setting out the material facts pursuant to Section 102(1) of the Companies Act 2013 (“Act”) in respect of special business (if any) set forth in the AGM Notice is annexed hereto and forms part of this Notice. The Explanatory Statement also contains the relevant details of the Directors as required by Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) and Secretarial Standard – 2 (“SS-2”) on General Meetings issued by the Institute of Company Secretaries of India (“ICSI”) Further, the term Member(s) or Shareholder(s) are used interchangeably in this Notice.
2. The Ministry of Corporate Affairs (‘MCA’) vide its General Circular No. 20/2020 dated May 5, 2020 read with the subsequent circulars issued from time to time, the latest one being General Circular No. 09/2024 dated September 19, 2024 (collectively referred as “MCA Circulars”), has allowed the Companies to conduct the Annual General Meeting (“AGM”) through Video Conferencing (VC) or Other Audio-Visual Means (OAVM) till September 30, 2025. In line with the MCA Circular(s), the Securities and Exchange Board of India (“SEBI”) vide its circular no. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2024/133 dated October 03, 2024, in relation to “Relaxation from compliance with certain provisions of the SEBI Listing Regulations” (“SEBI Circular(s)”) has relaxed the applicability of regulation 36(1)(b) of the SEBI Listing Regulations, for Annual General Meetings (AGMs) and regulation 44(4) of the SEBI Listing Regulations for general meetings (in electronic mode) till September 30, 2025. In compliance with the Act, MCA Circular(s) and SEBI Circular, the AGM of the members of the Company is being held through VC/OAVM and the deemed venue for the AGM shall be the registered office of the Company.
3. Since this AGM is being held through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxy by Members under Section 105 of the Act will not be available for the AGM and hence the Proxy Form, Attendance Slip and Route Map are not annexed to this Notice. However, pursuant to Section 113 of the Act, Corporate Shareholders are entitled to appoint their authorized representatives to attend the AGM through VC/OAVM on their behalf and to vote through electronic means.
4. The facility of VC/OAVM, casting votes by a member using remote e-Voting system as well as venue e-voting on the date of the AGM is being provided by e-voting service provider, KFin Technologies Limited (“KFin”).
5. The Members can join the AGM in the VC/OAVM mode 15 minutes before the scheduled time of the meeting and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on a first-come first-served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account on first come first served basis.
6. In the case of joint holders, the member whose name appears as the first holder in the order of names as per the Register of Members of the Company, maintain by depository will be entitled to vote at the AGM.
7. The attendance of the Members (members’ logins) attending the e-AGM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
8. Institutional/Corporate Shareholders are required to send a scanned copy of their Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC/OAVM on its behalf and to vote through e-Voting/remote e-Voting. The said Resolution/Authorization shall be sent to Scrutinizer by email at balaramdesina@gmail.com with a copy marked to cs@medinovaindia.com
9. All documents referred to in the accompanying Notice shall be available for inspection electronically. Members seeking to inspect such documents can send an email to cs@medinovaindia.com

10. The Register of Directors and Key Managerial Personnel and their shareholding, and the Register of Contracts or Arrangements in which the Directors are interested, maintained under the Companies Act, 2013, will be available electronically for inspection by the members during the AGM. Members seeking to inspect such documents can send an email to cs@medinovaindia.com
11. Members holding shares in demat mode, who have not registered their email addresses are requested to register their email addresses with their respective depository participants, and members holding shares in physical mode are requested to update their email addresses with the Company's RTA, XL Softech Systems Limited at xlfield@gmail.com
12. In compliance with the MCA Circulars and SEBI Circulars, Notice of the AGM along with the Annual Report 2024-25 is being sent only through electronic mode to those Members whose e-mail address is registered with the Company/ Depository Participants. Members may note that the Notice and Annual Report 2024-25 will also be available on the Company's website viz. <http://www.medinovaindia.com/investors.php>, and may also be accessed from the relevant section of the website of the Stock Exchange i.e. BSE Limited at www.bseindia.com. The AGM Notice is also available on the website of KFin at <https://evoting.kfintech.com>.
13. As per the provisions of Section 72 of the Act and SEBI Circular, the facility for making nomination is available for the members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. Members are requested to submit the said details to their Depository Participants in case the shares are held by them in electronic form and to the Company's Registrar and Transfer Agent ('RTA') in case the shares are held by them in physical form, quoting folio number. SEBI has made it mandatory for the shareholders holding securities in physical form to furnish PAN, KYC details and Nomination to the Registrar and Transfer Agent ('RTA') of the Company. In view of the above, shareholders of the Company holding securities in physical form shall provide PAN, Nomination form, contact details including Postal address with PIN code, Mobile Number, E-mail address documents/details, bank details and specimen signature to RTA, in the prescribed forms ISR-1, ISR-2, ISR-3, SH-13 and SH-14 as the case may be. The said forms are available on the website of the Company.
14. SEBI has mandated that all the requests for transfer of securities including transmission and transposition requests shall be processed in the dematerialized form. Accordingly, shareholders holding equity shares in physical form are urged to have their shares dematerialized so as to be able to freely transfer them and participate in corporate actions. Members may contact Company's RTA for assistance in this regard.
15. SEBI has mandated the submission of the Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their depository participant(s). Members holding shares in physical form are required to submit their PAN details to the RTA.
16. In accordance with the applicable MCA and SEBI Circulars, the Notice convening the 32nd Annual General Meeting (AGM) along with the Annual Report for the Financial Year 2024-25 is being sent only through electronic mode to those Members whose e-mail addresses are registered with the Company, Registrar and Transfer Agent (RTA), Depositories or Depository Participants. For Members who have not registered their e-mail addresses, a letter will be dispatched by the Company providing a **web-link**, including the **exact path** where the Notice of the AGM and the Annual Report can be accessed. Members who wish to receive a **physical copy** of the Notice of the AGM and the Annual Report may request the same by writing to the Company at cs@medinovaindia.com, by mentioning their **Folio Number/DP ID and Client ID**. The Notice of the 32nd Annual General Meeting (AGM) along with the Annual Report for the financial year 2024-25 is also available on the website of the Company at <http://www.medinovaindia.com/investors.php>, and on the websites of the Stock Exchanges where the securities of the Company are listed i.e., BSE Limited at www.bseindia.com. Additionally, the Notice and Annual Report are available on the website of KFin at <https://evoting.kfintech.com>.

PROCEDURE FOR E-VOTING:

1. Pursuant to the provisions of Section 108 of the Act, read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended from time to time) and Regulation 44 of SEBI Listing Regulations (as amended from time to time), the Company is providing facility to its members holding shares as on Cut-off date i.e., Wednesday, August 27, 2025 to exercise their right to vote by way of electronic means on all the resolutions as set forth in the accompanying AGM Notice through e-Voting service provider KFin Technologies Limited (“KFin”).
2. The remote e-Voting period commences on Sunday, August 31, 2025, from 9:00 a.m. and ends on Tuesday, September 02, 2025, at 5:00 p.m. The e-voting module shall be disabled by KFin for voting thereafter. Once the shareholder casts the vote on a resolution, the shareholder shall not be allowed to change it subsequently.
3. Members may cast their vote during the above-referred remote e-voting period. Further, the facility to e-vote at the AGM will be provided to the Members who have not cast their vote during remote e-voting period.
4. A member may participate in the AGM even after exercising his right to vote through remote e-voting prior to the AGM but shall not be allowed to vote again at the AGM.
5. Any person holding shares in physical form and Non Individual shareholders, who acquires shares of the Company and becomes a Member of the Company after dispatch of the Notice and holding shares as of cut-off date, may obtain the login id and password by sending a request to evoting@kfintech.com. However, if he/she is already registered for remote e-voting then he/she can use his/her existing User ID and password for casting the vote.
6. In case of Individual Shareholders holding securities in demat mode and who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date may follow steps mentioned below under “Login method for remote e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.”
7. The Board of Directors has appointed Mr. D. Balaram Krishna, Practising Company Secretary (FCS: 8168, CP No. 22414) as the Scrutinizer to scrutinize the remote e-voting process and voting during the AGM in a fair and transparent manner.
8. The Scrutinizer shall, immediately after the completion of the scrutiny of the e-voting (votes cast during the AGM and votes cast through remote e-voting), not later than 48 hours from the conclusion of the AGM, submit a consolidated scrutinizer report of the total votes cast in favour and against the resolution(s) has/have been carried or not, to the chairman or any other person authorised by him in writing.
9. The result declared along with the Scrutinizer’s Report shall be placed on the Company’s website www.medinovaindia.com and on the website of KFin <https://evoting.kfintech.com> immediately after the result is declared. The Company shall simultaneously forward the results to BSE Limited where the securities of the Company are listed.
10. Subject to the receipt of requisite number of votes, the Resolutions shall be deemed to be passed on the date of the Meeting i.e., September 03, 2025.

PROCESS FOR E-VOTING AND JOINING E-AGM:

The detailed process and manner for remote e-Voting and e-AGM are explained below:

STEP 1: Access to Depositories (NSDL / CDSL) e-Voting system in case of individual shareholders holding shares in demat mode.

STEP 2: Access to KFintech e-Voting system in case of shareholders holding shares in physical and non-individual shareholders in demat mode.

STEP 3: Access to join virtual meetings (e-AGM) of the Company on KFin system to participate in e-AGM and vote at the AGM.

---	--

Important note: Members who are unable to retrieve User ID/Password are advised to use Forgot user ID and Forgot Password option available at respective websites.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL:

Login Type	Helpdesk details
Securities held with NSDL	Please contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30
Securities held with CDSL	Please contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022 - 23058738 or 022 -23058542-43

STEP 2: Login method for e-Voting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode:

- A) Members whose email IDs are registered with the Company/Depository Participants (s), will receive an email from KFintech which will include details of E-Voting Event Number (EVEN), USER ID and password. They will have to follow the following process:
- i. Launch internet browser by typing the URL: <https://evoting.kfintech.com>
 - ii. Enter the login credentials (i.e. User ID and password). In case of physical folio, User ID will be EVEN (E-Voting Event Number), followed by folio number. In case of Demat account, User ID will be your DP ID and Client ID. However, if you are already registered with KFintech for e-voting, you can use your existing User ID and password for casting the vote. If required, please visit <https://evoting.kfintech.com> or contact toll-free numbers 1800309 4001 (from 9:00 a.m. to 6:00 p.m. on all working days) for assistance on your existing password.
 - iii. After entering these details appropriately, click on “LOGIN”
 - iv. You will now reach password change Menu wherein you are required to mandatorily change your password. The new password shall comprise of minimum 8 characters with at least one upper case (A-Z), one lower case (a-z), one numeric value (0-9) and a special character (@, #, \$, etc.). The system will prompt you to change your password and update your contact details like mobile number, email ID etc. on first login. You may also enter a secret question and answer of your choice to retrieve your password in case you forget it. It is strongly recommended that you do not share your password with any other person and that you take utmost care to keep your password confidential.
 - v. You need to login again with the new credentials
 - vi. On successful login, the system will prompt you to select the “EVEN” i.e. ‘Medinova Diagnostic Services Ltd. – AGM’ and click on “Submit”
 - vii. On the voting page, enter the number of shares (which represents the number of votes) as on the Cut-off Date under “FOR/AGAINST” or alternatively, you may partially enter any number in “FOR” and partially “AGAINST” but the total number in “FOR/AGAINST” taken together shall not exceed your total shareholding as mentioned herein above. You may also choose the option ABSTAIN. If the

- Member does not indicate either “FOR” or “AGAINST” it will be treated as “ABSTAIN” and the shares held will not be counted under either head.
- viii. Members holding multiple folios/demat accounts shall choose the voting process separately for each folio/ demat account.
 - ix. Voting has to be done for each item of the notice separately. In case you do not desire to cast your vote on any specific item, it will be treated as abstained.
 - x. You may then cast your vote by selecting an appropriate option and click on “SUBMIT”.
 - xi. A confirmation box will be displayed. Click “OK” to confirm or else “CANCEL” to modify. Once you have voted on the resolution (s), you will not be allowed to modify your vote. During the voting period, Members can login any number of times till they have voted on the Resolution(s).
 - xii. Corporate/Institutional Members (i.e. other than Individuals, HUF, NRI etc.) are also required to send scanned certified true copy (PDF Format) of the Board Resolution/Authority Letter etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to cast its vote through remote e-voting, together with attested specimen signature(s) of the duly authorised representative(s), to the Scrutinizer at email id balaramdesina@gmail.com with a copy marked to evoting@kfintech.com. The scanned image of the above-mentioned documents should be in the naming format “Corporate Name_ EVEN No.”
- B) Members whose email IDs are not registered with the Company/Depository Participants(s), and consequently the Annual Report, Notice of AGM and e-voting instructions cannot be serviced, will have to follow the following process:
- i. Member may send an e-mail request at the email id einward.ris@kfintech.com along with scanned copy of the signed request letter providing the email address, mobile number, self-attested PAN copy and Client Master copy in case of electronic folio and copy of share certificate in case of physical folio for sending the Annual report, Notice of AGM and the e-voting instructions.
 - ii. After receiving the e-voting instructions, please follow all steps above to cast your vote by electronic means.

STEP 3: Instructions for all the shareholders, including Individual, other than Individual and Physical, for attending the AGM of the Company through VC / OAVM and e-Voting during the meeting.

- i. Members will be provided with a facility to attend the AGM through VC / OAVM platform provided by KFintech. Members may access the same at <https://emeetings.kfintech.com> by using the e-voting login credentials provided in the email received from the Company/ KFintech. After logging in, click on the Video Conference tab and select the EVEN of the Company or the company name and click on the video symbol and accept the meeting etiquettes to join the meeting. Please note that the members who do not have the User ID and Password for e-Voting or have forgotten the User ID and Password may retrieve the same by following the remote e-Voting instructions mentioned above.
- ii. Facility for joining AGM through VC / OAVM shall open at least 15 minutes before the commencement of the Meeting.
- iii. Members are encouraged to join the Meeting through Laptops/ Desktops with Google Chrome (preferred browser), Safari, Internet Explorer, Microsoft Edge, Mozilla Firefox 22.
- iv. Members will be required to grant access to the webcam to enable VC / OAVM. Further, Members connecting from Mobile Devices or Tablets or through Laptop, connecting via Mobile Hotspot may experience Audio/Video loss due to fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
- v. As the AGM is being conducted through VC / OAVM, for the smooth conduct of proceedings of the AGM, Members are encouraged to express their views/send their queries in advance mentioning their name, demat account number/ folio number, email id, mobile number at cs@medinovaindia.com. Questions /queries received by the Company till September 01, 2025 shall only be considered and responded during the AGM.

Instructions for e-voting during AGM:

- i. The e-Voting “Thumb sign” on the left hand corner of the video screen shall be activated upon instructions of the chairman during the AGM proceedings. Shareholders shall click on the same to take them to the “*instapoll*” page.
- ii. Members need to click on the “*instapoll*” icon to reach the resolution page and follow the instructions to vote on the resolutions.
- iii. Only those shareholders, who are present in the AGM and have not cast their vote through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system available during the AGM.

OTHER INSTRUCTIONS:

- i. **Speaker Registration:** The Members who wish to speak during the AGM may register themselves as speakers for the AGM to express their views. They can visit <https://emeetings.kfintech.com> and login through the user id and password provided in the mail received from KFintech. On successful login, select ‘Speaker Registration’ for registration which will be opened from Sunday, August 31, 2025, 9:00 a.m. IST to Monday, September 01, 2025, 5:00 p.m. IST. Members shall be provided with a queue number’ before the meeting. The Company reserves the right to restrict the number of questions and number of speakers, as appropriate for the smooth conduct of the AGM.
- ii. **Post your Question:** The Members who wish to post their questions prior to the meeting can do the same by visiting <https://emeetings.kfintech.com>. Please login through the user id and password provided in the email received from KFintech. On successful login, select ‘Post Your Question’ option which will be open from Sunday, August 31, 2025, 9:00 a.m. IST to Monday, September 01, 2025, 5:00 p.m. IST.
- iii. In case of any query and/or grievance, in respect of voting by electronic means, Members may refer to the Help & Frequently Asked Questions (FAQs) and E-voting user manual available at the download section of <https://evoting.kfintech.com> (KFintech Website) or contact Mr. Mohammed Shanoor on +91 40 6716 1767 or call KFin’s toll free No. 1-800-309-4001 for any further clarifications.
- iv. The Members whose names appear in the Register of Members/list of Beneficial Owners as on Wednesday, August 27, 2025, being the cut-off date, are entitled to vote on the Resolutions set forth in this Notice. A person who is not a member as on the cut-off date should treat this Notice for information purposes only. Once the Member casts the vote on a resolution, the Member shall not be allowed to change it subsequently.

In case a person has become a Member of the Company after dispatch of AGM Notice but on or before the cutoff date for E-voting, he/she may obtain the User ID and Password in the manner as mentioned below:

- a) If the mobile number of the member is registered against Folio No./ DP ID Client ID, the member may send SMS: MYEPWD <space> E-Voting Event Number + Folio No. or DP ID Client ID to 9212993399
 1. **Example for NSDL:** MYEPWD <SPACE> XXXX IN12345612345678
 2. **Example for CDSL:** MYEPWD<SPACE> XXXX 1402345612345678
 3. **Example for Physical:** MYEPWD <SPACE> XXXX1234567890
- b) If e-mail address or mobile number of the member is registered against Folio No./DP ID Client ID, then on the home page of <https://evoting.kfintech.com>, the member may click “Forgot Password” and enter Folio No. or DP ID Client ID and PAN to generate a password.
- c) Members who may require any technical assistance or support before or during the AGM are requested to contact KFintech at toll free number 1-800-309-4001 or write to them at

evoting@kfintech.com.

GENERAL INSTRUCTIONS:

- a) The Company has appointed Mr. Balarama Krishna Desina, Practising Company Secretary, Hyderabad (FCS No. 8168, CP. No. 22414) to act as Scrutinizer to scrutinize the remote e-Voting process and voting during the AGM in a fair and transparent manner. BOARD'S REPORT

Dear Members,

The Board of Directors is pleased to present the Thirty-Second (32nd) Annual Report on the business and operations of Medinova Diagnostic Services Limited (**'the Company' or 'MDSL'**) your Company along with the audited financial statements for the financial year ended March 31, 2025.

FINANCIAL HIGHLIGHTS:

The financial performance of your Company for the year ended March 31, 2025, is summarized below:

Particulars	(₹ in Lakhs)	
	Standalone	Consolidated
	FY 2024-25	FY 2023-24
	FY 2024-25	FY 2023-24
Total Income	766.87	803.90
Total Expenses	647.44	702.23
Profit before Tax	119.43	101.67
Total Tax Expenses	30.49	26.40
Profit after Tax	88.94	75.27
EPS (in ₹)	0.89	0.75

FINANCIAL PERFORMANCE REVIEW:**STANDALONE**

During the year under review, the Company generated a total income of ₹766.87 lakhs, reflecting a decrease of approximately 4.61% compared to ₹803.90 lakhs in the previous year. Despite the decline in income, the Company achieved a net profit after tax of ₹88.94 lakhs, marking an increase of approximately 18.16% over the net profit of ₹75.27 lakhs reported in the previous financial year.

CONSOLIDATED

During the year under review, the Company recorded a total income of ₹995.85 lakhs, representing a decrease of approximately 3.91% compared to ₹1,036.34 lakhs in the previous year. Similarly, the net profit after tax stood at ₹189.67 lakhs, which is approximately 5.11% lower than the net profit of ₹199.89 lakhs reported in the previous financial year.

CONSOLIDATED FINANCIAL STATEMENTS:

The Standalone and Consolidated Financial Statements of the Company for the financial year ended March 31, 2025, are prepared in accordance with the applicable provisions of Companies Act 2013 (**"Act"**), Indian Accounting Standards (**"Ind-AS"**) and SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015 (**"Listing Regulations"**). The consolidated financial statements have been prepared based on audited financial statements of the Company and its subsidiaries as approved by their respective Board of Directors.

MERGER / SCHEME OF AMALGAMATION:

The Board of Directors of the Company, at its meeting held on June 26, 2024, based on the recommendation of the Audit Committee, has considered and approved the Scheme of Amalgamation between Medinova Diagnostic Services Limited (**"MDSL / The Company"**) and Vijaya Diagnostic Centre Limited (**"VDCL"**), along with their respective shareholders and creditors, pursuant to the provisions of Sections 230 to 232 of the Companies Act, 2013, and rules made thereunder.

The Company had filed the scheme with stock exchange i.e., BSE Limited on June 28, 2024, and received the observation letter with "no adverse observations" dated 5th December 2024.

Further, the Company has obtained approval from its shareholders at its meeting held on April 25, 2025, and the company has obtained the dispensation of the meeting of Unsecured Creditors and Unsecured Loan Creditor as they have conveyed their consent in writing for the Scheme of Amalgamation, pursuant to directions issued by the National Company Law Tribunal, Hyderabad Bench (“NCLT”) vide their order dated March 5, 2025.

A joint petition has been filed with the NCLT, Hyderabad bench on May 05, 2025, and the same is pending for approval before the NCLT. The Scheme would become effective from the April 01, 2024, i.e. appointed date, after receipt of all requisite approvals as mentioned in the Scheme.

The Scheme of Amalgamation, along with other relevant documents, can be accessed on the Company’s website at: <https://www.medinovaindia.com/investors.php>

DIVIDEND:

The Board has not recommended any dividend for the year financial year 2024-25.

TRANSFER TO GENERAL RESERVES:

During the year under review, the Company has not transferred any amount to reserves.

SHARE CAPITAL:

During the financial year 2024-25, there was no change in the authorised, subscribed, issued and paid-up share capital of the Company. As on March 31, 2025, the paid-up share capital of the Company stood at ₹9,98,16,400/- divided into 99,81,640 equity shares of ₹10/- each.

SUBSIDIARY COMPANIES:

Your Company does not have any Subsidiary Companies. However, as per explanation given to Section 2(87) of Companies Act, 2013 which defines Subsidiary Company, the Medinova Millennium MRI Services LLP is considered as a subsidiary being a body corporate.

Pursuant to proviso to Section 129(3) of the Act, a statement containing the brief details of performance and financials of the Subsidiary LLP for the financial year ended March 31, 2025 is attached as **Annexure-A** and forms part of this Report.

None of the Companies have become or ceased to be its Subsidiaries, joint ventures or associate companies during the year under review.

The annual financial statements of the subsidiary company will be made available to the members of the Company seeking such information and the same are available at the website of the Company www.medinovaindia.com under Investors’ section.

DIRECTORS AND KEY MANAGERIAL PERSONNEL:

In accordance with the provisions of Section 152 and other applicable provisions, if any, of the Companies Act, 2013 and the Articles of Association of the Company, Dr. Sura Surendranath Reddy (DIN: 0108599), will retire by rotation at the ensuing Annual General Meeting and being eligible offered himself for reappointment.

A brief profile of Dr. Sura Surendranath Reddy and other related information is detailed in the Notice convening the 32nd AGM of your Company.

The Company has received declarations / confirmations from all the Independent Directors of the Company confirming that they meet the criteria of independence as prescribed under Companies Act and Listing Regulations. Further all the Independent Directors have confirmed that their respective names have been included in the Independent Director’s Database as required under Section 150 of the Companies Act 2013.

In the opinion of the Board, Independent Directors fulfill the conditions specified in the Companies Act and Listing Regulations and are independent from management.

CHANGES IN COMPOSITION OF DIRECTORS AND KMP:

- Mr. Ravi Kumar Reddy Kanamatareddy was appointed as Independent Director of the Company w.e.f. June 21, 2024, and subsequently approved by the shareholders of the company at the 31st Annual General Meeting held on September 3, 2024.
- Mr. Nikhil Rajmal Jain resigned from the position of Chief Financial Officer of the Company w.e.f. November 30, 2024.
- Mr. Satish Bollineni was appointed as the Chief Financial Officer of the Company with effect from January 30, 2025.

Annexure-B**MANAGEMENT DISCUSSION AND ANALYSIS****Industry structure and developments**

The diagnostic laboratories serve as an integral component of the healthcare system. They play a crucial role in assisting the decision-making process regarding patients' health. Through varied diagnostic tests and procedures, these laboratories assist healthcare providers to arrive at correct diagnoses. Additionally, the Indian diagnostic sector is witnessing transition from a fragmented network of isolated labs to a structured and scalable ecosystem, with national and regional players expanding their geographical presence. Heightened demand for high-quality healthcare, augmented consumer awareness and progress in technology is further bolstering this transition in the industry. Digitization, automation and AI-powered innovations are elevating the efficiency and accuracy of the Indian diagnostic industry. Further to this, the growth in the Indian diagnostic industry can be attributed to the growing geriatric population, increasing health awareness among individuals, advancement in diagnostic technologies and a changing lifestyle. Unhealthy lifestyle is elevating the incidence of chronic diseases, creating the need for regular diagnostic monitoring.

Opportunities and Threats**Opportunities****1. Demographic**

Growing population is creating a large and expanding market for diagnostic services. In addition, the rising number of people aged over 40, who are more likely to avail diagnostics services, is increasing the need for regular health checks and disease management. This change highlights how important diagnostic testing has become, acting as a key part of both preventive care and ongoing treatment.

2. Rising Demand for Early Disease Detection

Growing awareness about the importance of early diagnosis for conditions such as cancer, diabetes, and cardiovascular diseases is driving demand for diagnostic tests. Preventive healthcare initiatives by governments and insurers also promote regular diagnostic testing.

3. Personalized and Precision Medicine

Demand for personalized treatment plans is pushing the need for companion diagnostics that match patients with specific therapies. Genetic and molecular diagnostics are becoming integral in tailoring treatments for conditions like cancer and rare genetic disorders.

4. Aging Population

The global rise in aging populations leads to a higher incidence of chronic diseases, which increases the need for regular and complex diagnostic tests.

Threats**1. Regulatory Challenges**

Strict regulatory approval processes (e.g., by FDA, EMA) can delay the launch of new products. Compliance with evolving international standards and local regulations can be complex and costly.

2. High R&D Costs

Developing innovative diagnostic technologies involves high investment and long lead times, with no guarantee of commercial success. Smaller companies may struggle to compete or bring products to market due to capital constraints.

3. Price Pressures and Reimbursement Issues

Cost-containment efforts by healthcare systems and insurers may lead to reduced reimbursement rates or pressure to lower test prices. Inadequate insurance coverage for advanced tests can limit their accessibility and commercial viability.

4. Intense Competition

The industry is highly competitive, with large multinational corporations dominating the space and constantly innovating. Market saturation in some segments (like routine blood tests) puts pressure on profit margins.

Outlook

A strong focus on adhering to the highest quality standards and aligning with medical accreditations will remain the key focus of the Company, such that its reputation as a reliable and accurate diagnostic in India. Along with this, consistent efforts are made to improve the experience it offers to its patients by making the entire process smoother and convenient. The Company focuses on improving its overall operational efficiencies through implementing cost reduction strategies, improving the IT system and delivering quicker test results.

Risks and concerns

Competition Risk: The Company faces intense competition from new players including large conglomerates, hospital chains, pharma companies, health tech platforms and startup companies, which may weaken the outlook, slow down growth, and put price pressures to bring margin and return ratios under stress.

To mitigate this risk, the Company emphasizes redefining its cost-base to neutralize some of the stress on returns.

Technological Risk: The Company operates in a highly technology-driven market. Technological advancements in the field may result in a decline in demand for the Company's products and services.

To mitigate this risk, the Company focuses on offering tests which are more accurate and economical, as compared to those available in the market.

Skilled Manpower Shortage Risk: The Company's success depends on its ability to find and retain outstanding employees, and failing to do so could significantly harm its performance.

To mitigate this risk, the Company focuses on an engaging HR practice and strives to make it a desirable place to work.

Internal control systems and their adequacy

The Company has an efficient internal control system in place. The policies and procedures, covering financial and operating functions, are also documented. The system controls are designed to provide reasonable assurance for maintaining proper accounting records. This reinforces reliability of financial reporting, monitoring of operations, and protection of assets from unauthorized use or losses and compliance of regulations.

The scope and coverage of audits include:

- Reviewing and reporting of key process risks
- Adhering to operating guidelines and statutory compliances
- Recommending improvements for monitoring and enhancing efficiency of operations
- Ensuring reliability of financial and operational information

The Audit Committee periodically monitors and reviews the significant internal audit observations. It also reviews compliance with accounting standards, risk management and control systems.

Human Resource

‘Human Resources’ are recognized as a key pillar of any successful organization and so is for Medinova. The company puts constant efforts in recruiting and training the employees and ensures to bring out the best of them. The company adopts an HR policy and ensures that all the employees are aware of personnel policies. The needs of the employees are addressed with high importance and efforts are made to provide a highly challenging and healthy environment. Besides all these, the company places high emphasis on professional etiquette required of every employee. As on March 31, 2025 the number of employees employed are 50.

Financial Performance of the Company

During the year under review, the Company generated a total income of ₹766.87 lakhs, reflecting a decrease of approximately 4.61% compared to ₹803.90 lakhs in the previous year. Despite the decline in income, the Company achieved a net profit after tax of ₹88.94 lakhs, marking an increase of approximately 18.16% over the net profit of ₹75.27 lakhs reported in the previous financial year.

During the year under review, the Company recorded a total income of ₹995.85 lakhs, representing a decrease of approximately 3.91% compared to ₹1,036.34 lakhs in the previous year. Similarly, the net profit after tax stood at ₹189.67 lakhs, which is approximately 5.11% lower than the net profit of ₹199.89 lakhs reported in the previous financial year.

Key Financial Ratios

In accordance with the SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015, the Company is required to give details of significant changes (change of 25% or more as compared to the immediately previous financial year) in key financial ratios. The company has identified the following ratios as Key Financial Ratios:

Particulars	FY 2025	FY 2024	Reason for variance
Inventory Turnover Ratio (in times)	4	8	This ratio has Decreased from 8 in March 2023 to 4 in March 2024 mainly due to Decrease in Cost of goods sold and increase in closing inventory
Debtors Turnover Ratio (in times)	2.72	3.49	-
Current Ratio (in times)	0.58	0.40	This ratio has increased from 0.40 in March 2024 to 0.58 in March 2025 mainly due to increase in Trade receivables and cash and cash equivalents and decrease in other financial liabilities on account of repayment of interest on borrowings.
Interest Coverage Ratio (in times)	3.39	3.39	-
Debt Equity Ratio*	--	--	-
Debt Service Coverage Ratio (in times)	3.06	1.09	This ratio has increased from 1.09 in March 2024 to 3.06 in March 2025 mainly due to increase in Profit after tax and there is no repayment of borrowing during the year.
Operating Profit margin (%)	18.71	18.71	-
Net Profit margin (%)	11.78	9.67	-
Return on net worth (%)**	--	--	-

*Since the total equity is negative, ratio is not given.

**Net worth of the company is negative.

Cautionary statement

Statements in this report on Management Discussion and Analysis describing the Company’s objectives, projections, estimates, expectations or predictions may be ‘forward-looking statements’ within the meaning of applicable laws and regulations. Such statements represent the intention of the Management and the efforts being

put into place by them to achieve certain goals. These assertions are predicated on a number of assumptions and future activities. Since the Company's operations are impacted by several internal and external factors outside of its control, actual results could significantly differ from those stated or inferred. Any forward-looking statement published here only speaks as of the date it was made and only reflects the Company's current intentions, beliefs, or assumptions. The Company disclaims any obligation to update or modify any forward-looking statements, whether as a result of new data, unexpected developments, or other factors. Readers are urged to use their best judgement when determining the risks connected to the Company.

Annexure – C**FORM NO. MR-3
SECRETARIAL AUDIT REPORT**

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2025

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Medinova Diagnostic Services Limited
CIN: L85110TG1993PLC015481
Hyderabad.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Medinova Diagnostic Services Limited (hereinafter called the company).

Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Medinova Diagnostic Services Limited books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2025, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

1. I have examined the books, papers, minute books, forms and returns filed and other records maintained by Medinova Diagnostic Services Limited for the financial year ended on 31st March, 2025, according to the provisions of:
 - 1.1.The Companies Act, 2013 (the Act) and the rules made there under;
 - 1.2.The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
 - 1.3.The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
 - 1.4.Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; **[NOT APPLICABLE AS THERE IS NO FOREIGN INVESTMENT IN/BY THE COMPANY]**
 - 1.5.The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): -
 - 1.5.1. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - 1.5.2. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

- 1.5.3. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; **[NOT APPLICABLE AS THERE WAS NO FRESH ISSUE OF CAPITAL DURING THE YEAR]**
 - 1.5.4. The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; **[NOT APPLICABLE AS THERE WAS NO STOCK OPTION GIVEN TO THE EMPLOYEES]**
 - 1.5.5. The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; **[NOT APPLICABLE AS THERE WAS NO NON-CONVERTIBLE SECURITIES LISTED ON THE STOCK EXCHANGE]**
 - 1.5.6. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - 1.5.7. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; **[NOT APPLICABLE AS THERE WAS NO DELISTING OF EQUITY SHARES DURING THE YEAR]** and
 - 1.5.8. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **[NOT APPLICABLE AS THERE WAS NO BUYBACK OF SECURITIES BY THE COMPANY DURING THE YEAR]**
2. I have also examined compliance with the applicable clauses of the following:
 - 2.1. Secretarial Standards issued by The Institute of Company Secretaries of India.
 - 2.2. SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
 3. The Company is engaged in the Business of Medical diagnostic services. Accordingly, the following Industry Specific Acts are applicable to the Company, in view of the Management and as per the Guidance Note issued by the ICSI. Based on the explanation given, there are adequate system and process in the company to monitor and ensure the compliance of following sector specific law, rule, regulation and guidelines:
 - 3.1. Pre-Conception and Pre-Natal Diagnostic Techniques (Prohibition of Sex Selection) Act, 1994 (“PCNDT Act”) and the Pre-Natal Diagnostic Techniques (Regulation and Prevention of Misuse) Act, 1994 (“PNDT Act”).
 - 3.2. The Clinical Establishments (Registration and Regulations) Act, 2010.
 - 3.3. The Clinical Establishments (Central Government) Rules, 2012 (“CECG Rules”).
 - 3.4. West Bengal Clinical Establishment (Registration, Regulation and Transparency), Act 2017.
 - 3.5. West Bengal Shops and Establishments Act, 1963.
 - 3.6. Bio Medical Waste (BMW) Authorisation- West Bengal Pollution Control Board.
 - 3.7. Indian Atomic Energy Act 1962 & Atomic Energy (Radiation Protection) Rules 2004.
 - 3.8. Atomic Energy (Safe Disposal of Radioactive Wastes) Rules, 1987 (“Radioactive Waste Rules”).

- 3.9. Radiation Surveillance Procedures for Medical Application of Radiation, 1989 (“Surveillance Procedures”).
- 3.10. Safety Code for Medical Diagnostic X-Ray Equipment and Installations, 2001 (the “X-Ray Safety Code”).
- 3.11. Atomic Energy Regulatory Board- Safety Code on Safe Transport of Radioactive Material AERB/NRF- TS/SC- 1, 2015 (“Transport Code”).
- 3.12. Atomic Energy Regulatory Board - Safety code on Nuclear Medicine Facilities dated November 4, 2010 (“Nuclear Medicine Code”).
- 3.13. Radiation Surveillance Procedure for Medical Applications of Radiation, 1989 (“RSPM Notification”).
- 3.14. The Environment Protection Act, 1986 (the “Environment Protection Act”) and The Environment (Protection) Rules, 1986 (the “Environment Protection Rules”).
- 3.15. Bio-Medical Waste Management Rules, 2016 (“BMW Rules”).
- 3.16. National Accreditation Board for Testing and Calibration Laboratories (“NABL”).
- 3.17. Guidelines for Exchange of Human Biological Material for Biomedical Research Purposes, 1997 (“HBM Guidelines”).
- 3.18. Consumer Protection Act, 2019 (“COPRA, 2019”).

4. I further report that:

- 4.1. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors, if any, that took place during the period under review were carried out in compliance with the provisions of the Act.
- 4.2. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. And wherever, shorter notice has been sent, the relevant provisions have been complied.
- 4.3. All the decisions at the Board and Committee meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.
- 4.4. There are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

5. I further report that during the audit period there were following specific events / actions having a major bearing on the company’s affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc:

- 5.1. The Company in its Board Meeting held on 26th June, 2024 has approved the scheme of Amalgamation, inter alia, involving the amalgamation of Vijaya Diagnostic Centre Limited, The Holding Company.
- 5.2. Mr. Nikhil Rajmal Jain, Chief Financial Officer (CFO) and KMP of the Company has resigned vide letter dated 16th November, 2024 and was relieved from his duties w.e.f. 30th November, 2024. Mr. Satish Bollineni has been appointed as the CFO of the Company in the Board Meeting held on 30th January, 2025 with effect from the same date.

M. ANANDAM & CO.,
CHARTERED ACCOUNTANTS

Independent Auditor's Report

To the Members of Medinova Diagnostic Services Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **Medinova Diagnostic Services Limited** ("the Company"), which comprise the Standalone Balance Sheet as at 31st March 2025, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matters

We draw attention to Note 35 of the financial statements which states that subsequent to the balance sheet date, the Company received shareholders' approval on April 25, 2025 for the Scheme of Amalgamation with its Holding Company, Vijaya Diagnostic Centre Limited, effective from April 1, 2024. The Scheme of Amalgamation is pending approval from the National Company Law Tribunal, Hyderabad.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were

addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than Financial Statements (Other Information)

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors Report but does not include the standalone financial statements, consolidated financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect

a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to the standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all

relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books

(c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act.

(e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 1(b) above and paragraph 1(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

(g) With respect to the adequacy of the internal financial controls with reference to the standalone financial statements and the operating effectiveness of such internal financial controls with reference to the standalone financial statements, refer to our separate Report in "Annexure A".

(h) The Company has not paid any remuneration to its directors during the year. Hence the provisions of section 197 of the Act are not applicable.

(i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements (Refer Note 21 of the standalone financial statements).

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. (a) The Management has represented that (Refer Note 34(v) of the Standalone financial statements), to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from

borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that (Refer Note 34(vi) of the Standalone financial statements), to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. No dividend was declared or paid during the year by the Company, hence, the provisions of section 123 of the Act are not applicable.

vi. Based on our examination which included test checks, except for the instances mentioned below, the Company has used accounting software for maintaining its books of account which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective softwares:

- The feature of recording audit trail (edit log) facility was not enabled at the database level to log any direct data changes for the accounting software used for maintaining the books of account relating to general ledger and customer billing.
- The Company uses accounting software operated by a third-party service provider to maintain its books of account relating to payroll. In the absence of sufficient and appropriate reporting on compliance with audit trail requirements in the independent auditor's report of the third-party service provider for the period from 01-04-2024 to 31-12-2024, and in the absence of an independent auditor's report for the period from 01-01-2025 to 31-03-2025, we are unable to comment on whether the audit trail feature was enabled and operational throughout the financial year under audit for all relevant transactions recorded in the software, or whether there were any instances of tampering with the audit trail feature.

Further, where audit trail (edit log) facility was enabled and operated throughout the year for respective accounting software, we did not come across any instance of audit trail feature being tampered with.

Additionally, the audit trail in respect of the previous year has been preserved by the Company as per the statutory requirements for record retention except for the instances mentioned below:

- In case of the accounting software used for maintaining general ledger and customer billing, the audit trail is not preserved for the database level.

- In case of an accounting software used for maintaining payroll records, we are unable to comment whether the audit trail has been preserved by the Company.

2. As required by the Companies (Auditor's Report) Order, 2020, ('the Order') issued by the Central Government in terms of Section 143 (11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure "A" to the Independent Auditor's Report

(Referred to in paragraph 1(g) under 'Report on Other Legal Regulatory Requirements' section of our report to the Members of the Company of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to the standalone financial statements of **Medinova Diagnostic Services Limited** ("the Company") as of 31 March 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to the standalone financial statements and such internal financial controls with reference to the standalone financial statements were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Inherent Limitations of Internal Financial Controls with reference to the standalone financial statements

Because of the inherent limitations of internal financial controls with reference to the standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the standalone financial statements to future periods are subject to the risk that the internal financial control with reference to the standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed

under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the standalone financial statements included obtaining an understanding of internal financial controls with reference to the standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to the standalone financial statements.

Meaning of Internal Financial Controls with reference to the standalone financial statements

A company's internal financial control with reference to the standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to the standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Annexure "B" to the Independent Auditor's Report

With reference to Paragraph 2 under 'Report on Other Legal Regulatory Requirements' section of our report to the Members of the Company, we report that –

- i. In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
(B) The Company has maintained proper records showing full particulars of intangible assets.
 - b) The Company has a program of physical verification of Property, Plant and Equipment so as to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - c) The Company does not own immovable properties and hence reporting under clause 3(i)(c) of the Order is not applicable.
 - d) The Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year.
 - e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) and rules made thereunder.
- ii.
 - a) Physical verification of inventory has been conducted at reasonable intervals by the management and in our opinion, the coverage, frequency and procedure of such verification is reasonable and adequate in relation to the size of the Company and the nature of its business. The discrepancies noticed on verification between the physical stocks and the book records were not exceeding 10% or more in the aggregate for each class of inventory.
 - b) The Company was not sanctioned working capital limits in excess of Rs.5 Crore during the year from banks or financial institutions on the basis of security of current assets. Hence reporting under clause 3(ii)(b) of the Order is not applicable.
- iii. During the year, the Company has not made investments, not provided loans or advances in the nature of loans or not stood guarantee or not provided security in/to companies, firms, Limited Liability Partnerships or any other parties. Hence, reporting under clause 3(iii) of the Order is not applicable.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 186 of the Act in respect of making investments. The Company has not granted loans, or provided guarantees and securities.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. The maintenance of cost records has not been specified by the Central Government under subsection (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause 3(vi) of the Order is not applicable.
- vii. In respect of statutory dues:
 - a) In our opinion, the Company has been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Cess and other material statutory dues applicable to it with the appropriate authorities. Sales

Tax, Value Added Tax, Service Tax, Duty of Excise and Customs duty are not applicable to the Company.

There were no undisputed amounts payable in respect of Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax Cess and other material statutory dues in arrears as at March 31, 2025 for a period of more than six months from the date they became payable.

- b) According to the information and explanations given to us, and records of the Company examined by us, the particulars of statutory dues which are disputed as at March 31, 2025 are as follows –

Name of the statute	Nature of the dues	Amount (Rs. in lakhs)	Amount paid under protest (Rs. In lakhs)	Period to which the amount relates	Forum where the dispute is pending
Finance Act, 1994	Service Tax	1.68	0.64	2017-18	Commissioner of Service Tax (Appeals)
Goods and Services Act, 2017	GST	13.17 [^]	1.32 [#]	2017-18, 2018-19, 2019-20	GST Appellate Authority*

[^]Order was passed against the assessee on 31-01-2025

[#]The amount was paid vide challan dated 14-04-2025

*The appeal has been filed on 15-04-2025.

- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. a) The Company has not defaulted in repayment of loans or other borrowings and in the payment of interest thereon to any lender.
b) The Company has not been declared wilful defaulter by any bank or financial institution or other lender.
c) During the year, the company has not obtained any term loans and hence clause 3 (ix) (c) of the Order is not applicable.
d) On an overall examination of the standalone financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
e) On an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary. The Company does not have associates or joint ventures.
f) According to the information and explanations given to us and procedures performed by us, we report that the company has not raised loans during the year on the pledge of securities held in its subsidiary. The Company does not have associates or joint ventures.
- x. a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the

- Order is not applicable.
- b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally convertible) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi. a) In our opinion and based on our examination and enquiries with the management, no fraud by the Company and no material fraud on the Company has been noticed or reported during the financial year under audit.
- b) No report under sub-section (12) of section 143 of the Companies Act is required to be filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- c) As represented to us by the management, there are no whistle blower complaints received by the company during the year.
- xii. The Company is not a Nidhi Company and hence reporting under clause 3(xii)(a) to (c) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. a) According to the information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a) of the Order is not applicable.
- b) The Company is not engaged in any non-banking financial housing finance activities. Accordingly, reporting under clause 3(xvi)(a) of the Order is not applicable.
- c) The Company is not a core investment company as defined in the Regulations made by the Reserve Bank of India. Accordingly, reporting under clause 3(xvi)(c) of the Order is not applicable.
- d) According to the information and explanations given to us, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and

payment of financial liabilities, other information accompanying the standalone financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. In our opinion and according to the information and explanations given to us, the provisions of Section 135 of the Act are not applicable to the Company and hence reporting under clause (xx) (a) and (b) of the Order are not applicable.

1 Corporate Information

Medinova Diagnostic Services Limited ('the Company') is a Public limited Company domiciled in India and was incorporated on March 11, 1993 under the provisions of the Companies Act 2013 applicable in India. The registered office of the Company is located at # 7-1-58, Unit No.1/Flat No. 301, 3rd Floor, Amrutha Business Complex, Ameerpet, Hyderabad - 500 016, Telangana, India. The Company is a subsidiary of Vijaya Diagnostic Centre Limited

The Company is engaged in the business of providing comprehensive range of diagnostic services spanning pathological investigations, radiology & imaging, conventional, specialized lab services and diagnostic cardiology.

2 Basis of preparation and measurement

(i) Statement of compliance

The standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act under the historical cost convention on an accrual basis except for certain financial instruments, which are measured at fair values, notified under the Act and Rules prescribed thereunder.

The standalone financial statements have been prepared on a going concern basis. The accounting policies are applied consistently to all the periods presented in the standalone financial statements except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires change in accounting policy hitherto in use.

The standalone financial statements were approved by the Board of Directors and authorised for issue on 03-05-2025.

(ii) Functional and presentation currency

These standalone financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All financial information presented in Indian rupees have been rounded-off to two decimal places to the nearest lakh except share data or as otherwise stated.

(iii) Basis of measurement

The standalone financial statements have been prepared on the historical cost basis except for the following items:

- Certain financial assets and liabilities : Measured at fair value or amortised costs
- Net defined benefit (asset)/ liability : Fair value of plan assets less present value of defined benefit obligations
- Borrowings : Amortised cost using effective interest rate method

(iv) Use of estimates and judgements

In preparing these standalone financial statements, Management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from those estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Judgements

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the standalone financial statements is included in the following notes:

- Note 6- Deferred tax assets: whether the company has convincing evidence to recognise deferred tax assets

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment within the next financial year are included in the following notes:

- Note 26 – measurement of defined benefit obligations: key actuarial assumptions;
- Notes 12 – recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources;
- Note 5 – impairment of financial assets;
- Note 4 - determining an asset's expected useful life and the expected residual value at the end of its life

(v) Measurement of fair values

Accounting policies and disclosures require measurement of fair value for both financial and non-financial assets.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability or
- in the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in the measuring fair values is included in the following notes:

- Note 29 - Financial instruments

(vi) Current and non-current classification:

The Schedule III to the Act requires assets and liabilities to be classified as either current or non-current. The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

Assets

An asset is classified as a current when it is:

- it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- it is expected to be realised within twelve months from the reporting date;
- it is held primarily for the purposes of being traded; or
- is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets are classified as non current

Liabilities

A liability is classified as a current when:

- it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- it is due to be settled within twelve months from the reporting date;
- it is held primarily for the purposes of being traded;
- Deferred tax assets/liabilities are classified as non-current.
- the Company does not have an unconditional right to defer settlement of liability for atleast twelve months from the reporting date.

All other liabilities are classified as non-current.

Operating Cycle

Operating cycle is the time between the acquisition of assets for processing and realisation in cash or cash equivalents. The Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

Med inova Diagnostic Services Limited

Notes to the Standalone Financial Statements for the year ended March 31, 2025

3 Summary of material accounting policies

A. Revenue recognition

i) Income from diagnostic services

Revenue from Diagnostic services is recognized on amount billed net of discounts/ concessions if any. No element of financing is deemed present as the sales are made primarily on cash and carry basis, however for institutional/ organisational customers a credit period of 30 days is given, which is consistent with market practice.

A contract liability is the obligation to transfer services to a customer for which the Company has received consideration from the customer. If a customer pays consideration before the Company transfer services to the customer, a contract liability is recognised when the payment is made. Contract liabilities are recognised as revenue when the Company performs under the contract.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and when the underlying tests are conducted, samples are processed for requisitioned diagnostic tests. Each service is generally a separate performance obligation and therefore revenue is recognised at a point in time when the tests are conducted, samples are processed. For multiple tests, the Company measures the revenue in respect of each performance obligation at its relative stand alone selling price and the transaction price is allocated accordingly. The price that is regularly charged for a test separately registered is considered to be the best evidence of its stand alone selling price. Revenue contracts are on principal to principal basis and the Company is primarily responsible for fulfilling the performance obligation.

B. Recognition of interest income

Interest income is recognised using the effective interest rate method.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

C. Borrowing costs

Borrowing costs are interest and other costs incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

D. Financial instruments

A financial instrument is any contract that gives rise to a Financial Asset of one entity and Financial liability or equity instrument of another entity.

i) Initial Recognition and measurement

Trade receivables are initially recognised when they are originated. Financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

ii) Classification and subsequent measurement

Financial assets

All financial assets are initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

Subsequent measurement: For the purpose of subsequent measurement, financial assets are categorised as under:

- Amortised cost;
- Fair Value through Other Comprehensive Income (FVOCI) – equity investment; or
- Fair Value through Profit or Loss (FVTPL)

Medi Nova Diagnostic Services Limited

Notes to the Standalone Financial Statements for the year ended March 31, 2025

D. Financial instruments (continued)

ii) Classification and subsequent measurement (continued)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets at FVTPL: These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.

Financial assets at amortised cost: These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

Equity investments at FVOCI: These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.

Financial liabilities:

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in statement of profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in statement of profit or loss.

iii) Derecognition

Financial assets

A financial asset is primarily derecognised when the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

iv) Offsetting

Financial assets and financial liabilities are offset and the net amount reported in the balance sheet if there is a currently and legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

E. Property, plant and equipment**i) Recognition and measurement**

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less accumulated depreciation and accumulated impairment loss, if any. Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to statement of profit or loss during the reporting period in which they are incurred. If an item of property, plant and equipment is purchased with deferred credit period from supplier, such asset is recorded at its cash price equivalent value.

ii) Depreciation

Depreciation is provided using the Written down value Method ("WDV") upto 31st December 2022, over the useful lives of the assets as estimated by the Management based on technical evaluation. Depreciation on additions and deletions are restricted to the period of use. Assets costing below Rs. 5,000 are depreciated in full in the same year.

With effect from 1st January 2023, the Company has changed its method of depreciation on all Property, Plant and Equipment from Written Down Value ("WDV") method to Straight Line Method ("SLM"), based upon the technical assessment of expected pattern of consumption of the future economic benefits embodied in the assets.

The estimated useful lives of items of property, plant and equipment are as follows:

Asset description	Useful life in years as estimated by the management	Useful life in years as estimated as per schedule II
Leasehold improvements	10	10
Plant & Machinery	5 to 10	5 to 10
Computers and networks	3 to 6	3 to 6
Furnitures & Fixtures	5 to 10	5 to 10

Residual value is considered to be 5% on all the assets, as technically estimated by the management.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains or losses arising from disposal of property, plant and equipment which are carried at cost are recognised in the statement of profit and loss.

F. Intangible assets**i) Recognition and measurement**

Intangible assets that are acquired, are recognized at cost initially and carried at cost less accumulated amortization and accumulated impairment loss, if any. Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates.

ii) amortization

Upto December 31, 2022, amortization is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the "written down value" (WDV) method, and is included in depreciation and amortization in statement of profit and loss.

With effect from 1st January 2023, the Company has changed its method of amortization from Written Down Value ("WDV") method to Straight Line Method ("SLM"), based upon the technical assessment of expected pattern of consumption of the future economic benefits embodied in the intangible assets.

The estimated useful life is as follows:

- Software - 3 years

Amortization method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

G. Capital work in progress

Capital work-in-progress is recognized at cost. It comprises of property, plant and equipment that are not yet ready for their intended use at the reporting date.

MediNova Diagnostic Services Limited

Notes to the Standalone Financial Statements for the year ended March 31, 2025

H. Inventories

- Inventories comprise of diagnostic kits, reagents, laboratory chemicals and consumables, these are valued at lower of cost and net realizable value. Cost of inventories comprises of all costs of purchase and other costs incurred in bringing the inventories to their present location after adjusting for recoverable taxes, if any. Cost is determined on First-in-First-out basis. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses. The comparison of cost and net realisable value is made on an item-by-item basis.

I. Impairment of assets

i) Impairment of financial instruments

The Company recognises loss allowances for expected credit losses on financial assets measured at amortised cost. At each reporting date, the Company assesses whether financial assets carried at amortised cost are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer;
- a breach of contract;
- it is probable that the borrower will enter bankruptcy or other financial reorganisation; or
- the disappearance of an active market for a security because of financial difficulties.

The Company measures loss allowances at an amount equal to lifetime expected credit losses.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Company is exposed to credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward-looking information.

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

ii) Impairment of non-financial assets

The Company's non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

The Company's corporate assets (e.g., central office building for providing support to various CGUs) do not generate independent cash inflows. To determine impairment of a corporate asset, recoverable amount is determined for the CGUs to which the corporate asset belongs.

Medinova Diagnostic Services Limited

Notes to the Standalone Financial Statements for the year ended March 31, 2025

I. Impairment of assets (Continued)

ii) Impairment of non-financial assets (continued)

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss.

In respect of assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss has been recognised.

J. Employee benefits

(i) Short-term employee benefits

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured on an undiscounted basis at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards Government administered provident fund scheme and ESI. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in statement of profit and loss in the periods during which the related services are rendered by employees.

(iii) Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The liability or asset recognised in the balance sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by a qualified actuary using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

(iv) Other long-term employee benefits

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period by a qualified actuary using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in statement of profit and loss.

K. Leases

Lease contracts entered by the Company majorly pertains for buildings taken on lease to conduct its business in the ordinary course.

Company as a Lessor:

Leases for which the Company is a lessor are classified as a finance or operating lease. When ever the terms of a lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. Rental income from operating leases are recognised on straight line basis over the term of relevant lease.

Medinova Diagnostic Services Limited

Notes to the Standalone Financial Statements for the year ended March 31, 2025

K. Leases (Continued)

Company as a Lessee:

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

The Company has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

L. Income-tax

Income-tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

(i) *Current tax*

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

(ii) *Deferred tax*

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is not recognised for:

- temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction; and
- temporary differences related to investments in subsidiaries to the extent that the Group is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future;

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

M. Provision, contingent liabilities and contingent assets

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised under finance costs. Expected future operating losses are not provided for.

Contingencies:

Provision in respect of loss contingencies relating to claims, litigations, assessments, fines and penalties are recognised when it is probable that a liability has been incurred and the amount can be estimated reliably.

Med inova Diagnostic Services Limited

Notes to the Standalone Financial Statements for the year ended March 31, 2025

M. Provision, contingent liabilities and contingent assets (Continued)

Contingent liabilities and contingent assets:

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote.

Contingent assets has to be recognised in the financial statements in the period in which if it is virtually certain that an inflow of economic benefits will arise. Contingent assets are assessed continually and no such benefits were found for the current financial year.

N. Earnings per share

Basic Earnings Per Share ('EPS') is computed by dividing the net profit attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the year, unless issued at a later date. In computing diluted earnings per share, only potential equity shares that are dilutive and that either reduces earnings per share or increases loss per share are included. The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for the share splits.

O. Statement of Cash Flow

Cash flows are reported using the indirect method, whereby net profit/ (loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from regular revenue generating (operating activities), investing and financing activities of the Company are segregated.

P. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Q. Investments in subsidiaries

Investments representing equity interest in subsidiaries carried at cost less any provision for impairment. Investments are reviewed for impairment if events or changes in circumstances indicate that the carrying amount may not be recoverable.

R. Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

S. Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

Less : Allotment Money Arrears	2.48	2.48
	995.68	995.68

i) Reconciliation of equity shares outstanding at the beginning and at the end of the reporting year

	March 31, 2025		March 31, 2024	
	Number of shares	Amount	Number of shares	Amount
Shares outstanding at the beginning of the year	99,81,640	995.68	99,81,640	995.68
Shares issued during the year	-	-	-	-
Shares outstanding at the end of the year	99,81,640	995.68	99,81,640	995.68

ii) Terms and rights attached to equity shares

Equity shares issued by the Company have par value of Rs. 10 per share. Each holder of equity share is entitled to one vote per share. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

iii) Details of shareholders holding more than 5% shares in the company

	March 31, 2025		March 31, 2024	
	Number of shares	% of total shares	Number of shares	% of total shares
Equity Shares:				
Vijaya Diagnostic Centre Limited (Holding Company)	62,02,220	62.14%	62,02,220	62.14%

As per records the Company including registration of shareholders/ members, the above share holding represents both legal and beneficial ownership of shares. Name of the Holding Company changed to Vijaya Diagnostic Centre Limited with effect from March 26, 2021 (formerly known as Vijaya Diagnostic Centre Private Limited).

iv) Shares held by Holding Company

	March 31, 2025	March 31, 2024
Equity Shares:		
Vijaya Diagnostic Centre Limited	62,02,220	62,02,220

v) Shares held by Promoters at the end of the year

	March 31, 2025			March 31, 2024		
	Number of shares	% of total shares	% change during the year	Number of shares	% of total shares	% change during the year
Equity Shares:						
Vijaya Diagnostic Centre Limited (Holding Company)	62,02,220	62.14%	-	62,02,220	62.14%	-

vi) Details of shares issued for consideration other than cash and bonus shares during last five years:

	31 March 2024	31 March 2023	31 March 2022	31 March 2021	31 March 2020
Shares issued for consideration other than cash	-	-	-	-	-

Medinova Diagnostic Services Limited
Notes to the Standalone Financial Statements for the year ended March 31, 2025 (continued)

(All amounts in Indian Rupees in lakhs, except for share data or as otherwise stated)

(b) Other equity

	As at March 31, 2025	As at March 31, 2024
Reserves and surplus		
(i) General reserve	62.46	62.46
(ii) Securities premium	51.55	51.55
(iii) Retained earnings	(1,229.33)	(1,316.29)
	(1,115.32)	(1,202.28)

i) General reserve

	As at March 31, 2025	As at March 31, 2024
Balance at the commencement of the year	62.46	62.46
Add: Movement during the year	-	-
Balance as at the end of the year	62.46	62.46

The general reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to profit or loss.

ii) Securities premium

	As at March 31, 2025	As at March 31, 2024
Balance at the commencement of the year	51.55	51.55
Add: Movement during the year	-	-
Balance as at the end of the year	51.55	51.55

Securities premium is used to record the premium on issue of shares. It will be utilised in accordance with the provisions of the "Act".

iii) Retained earnings

	As at March 31, 2025	As at March 31, 2024
Balance at the commencement of the year	(1,316.29)	(1,392.79)
Add: Profit for the year	88.94	75.27
<i>Items of other comprehensive income recognised directly in retained earnings</i>		
- Remeasurement of defined benefit obligations (net of tax)	(1.98)	1.22
Balance as at the end of the year	(1,229.33)	(1,316.29)

Retained earnings are the profits that the Company has earned till date, less any transfers to general reserve, dividends or other distribution to shareholders. OCI represents remeasurement of defined benefit plans: Difference between the interest income on plan assets and the return actually achieved, any changes in the liabilities over the year due to changes in actuarial assumptions or experience adjustments within the plans, are recognised in other comprehensive income and subsequently not reclassified to statement of profit and loss.

Total Other equity (i+ii+iii)	(1,115.32)	(1,202.28)

- Loans given by the Company is Nil (as at March 31, 2024: Nil)
- Guarantees given by the Company is Nil (as at March 31, 2024: Nil)

25 Segment reporting

A. Basis for segmentation

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components, and for which discrete financial information is available. All operating segment's results are reviewed regularly by the Company's Chairman and MD to make decisions about resources to be allocated to the segments and assess their performance.

The Chief Operating Decision Maker ("CODM") evaluates the Company's performance and allocates resources based on an analysis of various performance indicators at operational unit level and since there is single operating segment, no segment disclosures of the company is presented. The Company's operations fall within a single business segment "Diagnostic services".

B. Geographical information

The Company operates within India and therefore there are no assets or liabilities outside India.

C. Major customers

Revenue from any single customer of the Company's operating segment does not exceed 10% of the total revenue reported and hence there are no major customers to be disclosed.

Medinova Diagnostic Services Limited**Notes to the Standalone Financial Statements for the year ended March 31, 2025 (continued)**

(All amounts in Indian Rupees in lakhs, except for share data or as otherwise stated)

26 Employee benefit plans

The Company has following post employment benefit plans:

(a) Defined contribution plans

Contributions were made to provident fund (at the rate of 12% of basic salary) and Employee State Insurance in India for the employees of the Company as per the regulations. These contributions are made to registered funds administered by the Government of India. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any other constructive obligation. The expense recognised during the year in the standalone statement of profit and loss towards defined contribution plan is Rs. 11.81 lakhs (March 31, 2024: Rs. 12.06 lakhs).

(b) Defined benefit plan

The Company provides for Gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for Gratuity. The amount of Gratuity payable on retirement/ termination is the employee's last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service or part thereof in excess of six months, restricted to a sum of Rs. 20.00 lakhs. The gratuity plan is an unfunded plan.

This defined benefit plans expose the Company to actuarial risks, such as longevity risk, interest rate risk and market (investment) risk.

i. Reconciliation of the net defined benefit (asset)/ liability

The amounts recognised in the balance sheet and the movements in the defined benefit obligation and fair value of plan assets over the year are as follows:

The amounts recognised in the balance sheet and the movements in the defined benefit obligation as per the valuation report as at March 31, 2025 are produced in the tables below

(a) Changes in the Present Value of Obligation

Particulars	Year ended	
	March 31, 2025	March 31, 2024
Present value of obligation as at the beginning	27.88	40.65
Current service cost	2.43	2.50
Interest expense or cost	1.99	2.97
Actuarial (gains) / losses		
- change in demographic assumptions	(0.27)	-
- change in financial assumptions	0.57	0.14
- experience variance (i.e. Actual experience vs assumptions)	2.36	(1.77)
Benefits paid	(12.25)	(16.62)
Present value of obligation as at end	22.70	27.88

(b) Bifurcation of Present Value of obligation at the end of the year as per revised Schedule III of the Companies Act, 2013

Particulars	As at	
	March 31, 2025	March 31, 2024
Current liability (Short-term)	5.65	9.21
Non-current liability (Long-term)	17.05	18.68
Present value of obligation	22.70	27.88

(c) Expenses Recognised in the Statement of profit and loss

Particulars	Year ended	
	March 31, 2025	March 31, 2024
Current service cost	2.43	2.50
Net interest cost / (income) on the net defined benefit liability / (asset)	1.99	2.97
Expenses recognised in the Statement of profit and loss	4.42	5.48

(d) Other Comprehensive Income

Particulars	Year ended	
	March 31, 2025	March 31, 2024
Actuarial (gains) / losses		
- change in demographic assumptions	(0.27)	-
- change in financial assumptions	0.57	0.14
- experience variance (i.e. Actual experience vs assumptions)	2.36	(1.77)
Components of defined benefit costs recognised in other comprehensive income	2.65	(1.63)

Medinova Diagnostic Services Limited**Notes to the Standalone Financial Statements for the year ended March 31, 2025 (continued)**

(All amounts in Indian Rupees in lakhs, except for share data or as otherwise stated)

26 Employee benefit plans (continued)**(b) Defined benefit plan (continued)****ii. Actuarial assumptions**

Principal actuarial assumptions for defined benefit obligation are as follows:

	March 31, 2025	March 31, 2024
Discount rate	6.50%	7.15%
Salary escalation rate	6.00%	6.00%
Attrition rate	15.00%	15.00%

Discount rate: The discount rate is based on the prevailing market yields of Indian government securities as at the balance sheet date for the estimated term of the obligations.

Salary escalation rate: The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors.

Attrition rate: Represents the Company's best estimate of employee turnover in future (other than on account of retirement, death or disablement) determined considering various factors such as nature of business, retention policy, industry factors, past experience, etc.

iii. Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation and current service cost by the amounts shown below:

	Increase in assumption by 1%		Decrease in assumption by 1%	
	March 31, 2025	March 31, 2024	March 31, 2025	March 31, 2024
Discount rate	-3.6%	-3.2%	3.9%	3.4%
Salary escalation rate	3.9%	3.4%	-3.7%	-3.3%
Attrition rate	-0.4%	-0.6%	0.9%	0.1%

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

iv. Maturity profile of the defined benefit liability

The weighted average duration of the defined benefit obligation is 4 years (March 31, 2024 - 3 years). The expected maturity analysis of defined benefit obligation on an undiscounted basis is as follows:

	Less than a year	Between 2-5 years	Between 6-10 years	More than 10 years
31 March 2025	5.65	15.08	5.20	4.13
31 March 2024	9.21	19.16	4.38	3.68

28 Capital management

The Company's policy is to maintain a stable and strong capital structure with a focus on equity so as to provide returns to shareholders, benefits to other stakeholders, creditors and to sustain future development and growth of the business. In order to maintain the capital structure, the Company monitors the return on capital as well as debt to total equity ratio. The Company aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to all its shareholders. For the purpose of debt to total equity, debt includes its long-term and short-term borrowings. Total equity comprises of issued share capital and all other equity reserves. Since the total equity is negative, Gearing ratio is not given.

29 Financial instruments**A. Accounting classifications and fair values**

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

Particulars	Note	March 31, 2025		March 31, 2024		Fair value level
		Amortised cost	Fair value	Amortised cost	Fair value	
Financial assets						
Investments	5 (a)	296.82	-	296.82	-	Level 3
Trade receivables	5 (b)	47.71	-	37.23	-	Level 3
Security deposits	5 (c)	15.92	-	15.92	-	Level 3
Bank deposits	5 (c)	14.30	-	9.35	-	Level 3
Cash and cash equivalents	5 (d)	88.08	-	61.20	-	Level 3
Other financial assets	5 (e)	0.91	-	0.76	-	Level 3
Total financial assets		463.74	-	421.28	-	
Financial liabilities						
Borrowings	10 (a)	500.00	-	500.00	-	Level 3
Trade payables	10 (b)	231.06	-	231.82	-	Level 3
Other financial liabilities	10 (c)	17.58	-	32.77	-	Level 3
Total financial liabilities		748.64	-	764.59	-	

Note: The Company has not disclosed the fair values for financial instruments such as short-term trade receivables or short-term trade payables because their carrying amounts are a reasonable approximation of fair values.

Note 1: For the purpose of above abbreviations, FVTOCI - Fair value through other comprehensive income; amortised cost - fair value through amortized cost

Note 2: Other financial assets and liabilities relate to level 3 financial instruments where the carrying value reasonably approximates to their fair value.

29 Financial instruments (continued)

B. Financial risk management

The Company activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

Risk	Exposure arising from	Measurement	Management
Credit risk	Trade receivables, security deposits, bank deposits and loans.	Ageing analysis. Credit score of customers/ entities.	Monitoring the credit limits of customers and obtaining security deposits
Liquidity risk	Borrowings	Cash flow forecasts managed by finance team under the overview of Senior Management.	Working capital management by Senior Management. The excess liquidity is channelised through bank deposits and investment in mutual funds.

The Company's risk management is carried out by the Senior Management under policies approved by the Board of Directors. The Board of Directors provides guiding principles for overall risk management, as well as policies covering specific areas such as credit risk and liquidity risk.

i. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and loans.

The Company has no significant concentration of credit risk with any counterparty.

Trade receivables and loans:

Customer credit risk is managed by the respective department subject to Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit limits as defined by the Company. Outstanding customer receivables are regularly monitored.

Expected credit loss (ECL) assessment for individual customers:

As per simplified approach, the Company makes provision of expected credit losses on trade receivable using a provision matrix to mitigate the risk of default payment and make appropriate provision at each reporting date.

The ageing analysis of the receivables has been considered from the date the invoice falls due.

	< 365 days	> 365 days	Provision	Total
March 31, 2025	47.71	19.28	(19.28)	47.71
March 31, 2024	36.55	19.96	(19.28)	37.23

Management believes that the unimpaired amounts that are past due by more than 365 days (P.Y. 730 days) are still collectible in full, based on historical payment behaviour and extensive analysis of customer credit risk.

The movement in the allowance for impairment in respect of trade receivables is as follows:

	March 31, 2025	March 31, 2024
Balance at the beginning of the year	19.28	1.27
Add: Allowance measured at lifetime expected credit loss	-	18.01
Less: Amounts written off	-	-
Balance at the end of the year	19.28	19.28

Credit risk on cash and cash equivalents, deposits with banks is generally low as the said deposits have been made with the banks who have been assigned high credit rating by credit rating agencies. Investments primarily include investments in subsidiaries.

Medinova Diagnostic Services Limited

Notes to the Standalone Financial Statements for the year ended March 31, 2025 (continued)

(All amounts in Indian Rupees in lakhs, except for share data or as otherwise stated)

29 Financial instruments (continued)

ii. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The finance team monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash outflows on trade payables and other financial liabilities and any excess/short liquidity is managed in the form of current borrowings and bank deposits as per the approved frame work.

Exposure to liability risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

March 31, 2025	Carrying	Total	Contractual cash flows			
			Less than 1 year	1-2 years	2-5 years	More than 5 years
Borrowings	500.00	500.00	500.00	-	-	-
Trade payables	231.06	231.06	231.06	-	-	-
Other financial liabilities	17.58	17.58	17.58	-	-	-
	748.64	748.63	748.64	-	-	-

March 31, 2024	Carrying	Total	Contractual cash flows			
			Less than 1 year	1-2 years	2-5 years	More than 5 years
Borrowings	500.00	500.00	500.00	-	-	-
Trade payables	231.82	231.82	231.82	-	-	-
Other financial liabilities	32.77	32.77	32.77	-	-	-
	764.59	764.59	764.59	0.00	-	-

Except for these financial liabilities, it is not expected that cash flows included in the maturity analysis could occur significantly earlier, or at significantly different amounts.

iii. Market risk

Market risk is the risk that results from changes in market prices - such as foreign exchange rates, interest rates and others which will affect the Company's income. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

31 Code on Social Security, 2020:

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Company will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

Medinova Diagnostic Services Limited

(All amounts in Indian Rupees in lakhs, except for share data or as otherwise stated)

32 Ratios
a) Current Ratio = Current Assets divided by Current Liabilities

Particulars	March 31, 2025	March 31, 2024
Current Assets	151.68	115.44
Current Liabilities	262.71	285.57
Ratio	0.58	0.40
% Change from previous year	43%	

Reason for change more than 25%:

This ratio has increased from 0.40 in March 2024 to 0.58 in March 2025 mainly due to increase in Trade receivables and cash and cash equivalents and decrease in other financial liabilities on account of repayment of interest on borrowings.

b) Debt Equity ratio = Total debt divided by Total equity

Since the total equity is negative, ratio is not given

c) Debt Service Coverage Ratio = Earnings available for debt services divided by Total interest and principal repayments

Particulars	March 31, 2025	March 31, 2024
Profit after tax	88.94	75.27
Add: Non cash operating expenses and finance cost	64.14	69.70
-Depreciation and amortizations	14.14	12.30
-Finance cost	50.00	57.40
Earnings available for debt services	153.08	144.97
Interest cost on borrowings	50.00	57.40
Instalments	-	75.00
Total Interest and instalments	50.00	132.40
Ratio	3.06	1.09
% Change from previous year	180%	

Reasons for change more than 25%:

This ratio has increased from 1.09 in March 2024 to 3.06 in March 2025 mainly due to increase in Profit after tax and there is no repayment of borrowing during the year.

d) Return on Equity Ratio = Net profit after tax divided by Equity

Since the total equity is negative, this ratio is not given

e) Inventory Turnover Ratio = Cost of goods sold divided by closing inventory

Particulars	March 31, 2025	March 31, 2024
Cost of Goods sold	50	86
Closing Inventory	12	10
Inventory Turnover Ratio	4	8
% Change from previous year	-49%	

Reason for change more than 25%:

This ratio has Decreased from 8 in March 2023 to 4 in March 2024 mainly due to Decrease in Cost of goods sold and increase in closing inventory

f) Trade Receivables turnover ratio = Credit Sales divided by Closing trade receivables

Particulars	March 31, 2025	March 31, 2024
Credit Sales	129.87	129.87
Closing Trade Receivables	47.71	37.23
Ratio	2.72	3.49
% Change from previous year	-22%	

g) Trade payables turnover ratio = Credit purchases divided by closing trade payables

Particulars	March 31, 2025	March 31, 2024
Credit Purchases	337.58	398.32
Closing Trade Payables	231.06	231.82
Ratio	1.46	1.72
% Change from previous year	-15%	

Medinova Diagnostic Services Limited**Notes to the Standalone Financial Statements for the year ended March 31, 2025 (continued)**

(All amounts in Indian Rupees in lakhs, except for share data or as otherwise stated)

h) Net capital Turnover Ratio = Sales divided by Working capital whereas working capital= current assets - current liabilities

As the working capital is negative, this ratio is not given

i) Net profit ratio = Net profit after tax divided by Sales

Particulars	March 31, 2025	March 31, 2024
Net profit after tax	88.94	75.27
Sales	754.81	778.12
Ratio	11.78%	9.67%
% Change from previous year	22%	

j) Return on Capital employed

Particulars	March 31, 2025	March 31, 2024
Profit before interest and tax	169.43	159.07
Capital Employed:	400.41	315.59
Total Assets	663.12	601.16
Less: Current Liabilities	(262.71)	(285.57)
Ratio	0.42	0.50
% Change from previous year	-16%	

Note: Return on investment ratio is not applicable to the company

33 Other statutory information

- The Company does not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property.
- The Company does not have any transactions with companies struck off under section 248 of the Companies Act, 2013 or section 560 of Companies Act, 1956 during the financial year.
- The Company has not traded or invested in Crypto Currency or Virtual Currency during the financial year.
- The Company does not have any charges or satisfaction which is yet to be registered with Registrar of Companies (ROC) beyond the statutory period.
- The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries
- The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
 - provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries
- The Company has not entered into any transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).
- The Company has not been declared as wilful defaulter by any bank or financial institution or other lender.

34 Scheme of Amalgamation

The Board of Directors of the Company at their meeting held on 26 June 2024, have considered and approved the proposed Scheme of Amalgamation ("Scheme") of the company ("Transferor Company") with and into the Holding Company, "Vijaya Diagnostic Centre Limited" (Transferee Company) with effect from 01 April 2024 ("the Appointed Date") under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013, and other rules and regulations framed thereunder ("Scheme"). The Company has received letter with "no adverse observations" from the BSE Limited and SEBI on December 05, 2024, and further vide National Company Law Tribunal ("NCLT"), Hyderabad, order dated March 5, 2025 ("Order"), the company has obtained approval of shareholders vide resolution passed at their meeting held on April 25, 2025, and pursuant to the said order the NCLT has also dispensed the meeting of Unsecured Creditors and Unsecured Loan Creditor as they have conveyed their consent in writing for the Scheme of Amalgamation. The Scheme is subject to the approval of the NCLT, and such other approvals, permissions, and sanctions of regulatory and other authorities as may be necessary.

Independent Auditor's Report

To the Members of Medinova Diagnostic Services Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of **Medinova Diagnostic Services Limited** (hereinafter referred to as "the Holding Company") and its wholly owned subsidiary **Medinova Millennium MRI Services LLP** (the Holding Company and its wholly owned subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March, 2025, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act"), in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2025, of its consolidated profit (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group, in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") and the relevant provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 34 of the financial statements which states that subsequent to the balance sheet date, the Company received shareholders' approval on April 25, 2025 for the Scheme of Amalgamation with its Holding Company, Vijaya Diagnostic Centre Limited, effective from April 1, 2024. The Scheme of Amalgamation is pending approval from the National Company Law Tribunal, Hyderabad.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than Financial Statements (Other Information)

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude we conclude that that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective management of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management of the entities included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective management either intend to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective management of the entities included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to the financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law relating to the preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.

(c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of the preparation of the consolidated financial statements.

(d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act.

(e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2025 taken on record by the Board of Directors of the Holding Company, none of the directors of the Holding Company is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 1(b) above and paragraph 1(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014

(g) With respect to the adequacy of the internal financial controls with reference to the consolidated financial statements of the Holding Company and its subsidiary, and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

(h) The Holding Company has not paid any remuneration to its directors during the year. Hence the provisions of section 197 of the Act are not applicable.

(i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Group has disclosed the impact of pending litigations on its financial position in its standalone financial statements (Refer Note 21 of the standalone financial statements).

ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Group.

iv. (a) The Management has represented that (Refer Note 33(v) of the Standalone financial statements), to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries

(b) The Management has represented, that (Refer Note 33(vi) of the Standalone financial statements), to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. No dividend was declared or paid during the year by the Holding Company, hence, the provisions of section 123 of the Act are not applicable.

vi. Based on our examination which included test checks, except for the instances mentioned below, the Group has used accounting software for maintaining its books of account which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective softwares:

- The feature of recording audit trail (edit log) facility was not enabled at the database level to log any direct data changes for the accounting software used for maintaining the books of account relating to general ledger and customer billing.
- The Group uses accounting software operated by a third-party service provider to maintain its books of account relating to payroll. In the absence of sufficient and appropriate reporting on compliance with audit trail requirements in the independent auditor's report of the third-party service provider for the period from 01-04-2024 to 31-12-2024, and in the absence of an independent auditor's report for the period from 01-01-2025 to 31-03-2025, we are unable to comment on whether the audit trail feature was enabled and operational throughout the financial year under audit for all relevant transactions recorded in the software, or whether there were any instances of tampering with the audit trail feature.

Further, where audit trail (edit log) facility was enabled and operated throughout the year for respective accounting software, we did not come across any instance of audit trail feature being tampered with.

Additionally, the audit trail in respect of the previous year has been preserved by the Group as per the statutory requirements for record retention except for the instances mentioned below:

- In case of the accounting software used for maintaining general ledger and customer billing, the audit trail is not preserved for the database level.
- In case of an accounting software used for maintaining payroll records, we are unable to comment whether the audit trail has been preserved by the Company.

2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company we report that there are no qualifications or adverse remarks in this CARO report. Reporting under this clause is not applicable to the subsidiary.

(the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the consolidated financial statements included obtaining an understanding of internal financial controls with reference to the consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls with reference to the consolidated financial statements.

Meaning of Internal Financial Controls with reference to the consolidated financial statements

A Company's internal financial control with reference to the consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to the consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

2 Basis of preparation and measurement

(i) Statement of compliance

These consolidated financial statements (hereinafter referred to as 'consolidated financial statements') have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015, notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act under the historical cost convention on an accrual basis except for certain financial instruments, equity settled share based payments, which are measured at fair values, notified under the Act and Rules prescribed thereunder.

The consolidated financial statements have been prepared on a going concern basis. The accounting policies are applied consistently to all the periods presented in the consolidated financial statements except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires change in accounting policy hitherto in use.

The consolidated financial statements were approved by the Board of Directors and authorised for issue on 03-May-2025

(ii) Functional and presentation currency

These consolidated financial statements are presented in Indian Rupees (INR), which is also the Group's functional currency. All financial information presented in Indian rupees have been rounded-off to two decimal places to the nearest lakh except share data or as otherwise stated.

(iii) Basis of measurement

The consolidated financial statements have been prepared on the historical cost basis except for the following items:

- Certain financial assets and liabilities : Measured at fair value
- Net defined benefit (asset)/ liability : Fair value of plan assets less present value of defined benefit obligations
- Borrowings : Amortised cost using effective interest rate method

(iv) Use of estimates and judgements

In preparing these consolidated financial statements, Management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from those estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Judgements

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the financial statements is included in the following notes:

- Note 6- Deferred tax assets; whether the Company has convincing evidence to recognise deferred tax assets

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment within the next financial year are included in the following notes:

- Note 4 (a) – determining an asset's expected useful life and the expected residual value at the end of its life;
- Note 5 (b) – Impairment of financial assets;
- Note 25 – measurement of defined benefit obligations: key actuarial assumptions;
- Notes 12 – recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources;

2 Basis of preparation and measurement (continued)

(v) Measurement of fair values

Accounting policies and disclosures require measurement of fair value for both financial and non-financial assets.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Group uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in the measuring fair values is included in the following notes:

- Note 28 - Financial instruments

(vi) Principles of consolidation

a. Subsidiaries

Subsidiaries are entities controlled by the Group. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if, and only if, the Group has:

- (i) Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee);
- (ii) Exposure, or rights, to variable returns from its involvement with the investee; and the ability to use its power over the investee to affect its returns.
- (iii) The ability to use its power over the investee to affect its returns.

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- (i) The contractual arrangement with the other vote holders of the investee;
- (ii) Rights arising from other contractual arrangements;
- (iii) The Group's voting rights and potential voting rights;
- (iv) The size of the group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders.

Medinova Diagnostic Services Limited

Notes to Consolidated Financial Statements for the year ended March 31, 2025

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the Parent Company, i.e. year ended on March 31.

2 Basis of preparation (continued)

b. Consolidation procedures:

a. Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognized in the consolidated financial statements at the acquisition date.

b. Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.

c. Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the Group (profits or losses resulting from intragroup transactions that are recognized in assets, such as inventory and property, plant and equipment and intangible assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profit and losses resulting from intragroup transactions.

c. Non-controlling interests (NCI)

NCI is measured at their proportionate share of the acquiree's net identifiable assets at the date of acquisition.

Changes in the Group's equity interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions.

d. Loss of control

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction.

If the Group loses control over a subsidiary, it:

(i) Derecognises the assets (including goodwill) and liabilities of the subsidiary.

(ii) Derecognises the carrying amount of any non-controlling interests.

(iii) Derecognises the cumulative translation differences recorded in equity.

(iv) Recognises the fair value of the consideration received.

(v) Recognises the fair value of any investment retained.

(vi) Recognises any surplus or deficit in profit or loss.

(vii) Reclassifies the parent's share of components previously recognized in OCI to profit or loss or retained earnings, as appropriate, as would be required if the Group had directly disposed of the related assets or liabilities.

e. Subsidiaries considered in the consolidated financial statements:

S.No.	Name of the entity	Relationship	Country of incorporation	Ownership interest in %	
				March 31, 2025	March 31, 2024
1	Medinova Millennium MRI Services LLP	Wholly Owned subsidiary	India	100.00%	100.00%

2 Basis of preparation (continued)

(vii) Current and non-current classification:

The Schedule III to the Act requires assets and liabilities to be classified as either current or non-current. The Group presents assets and liabilities in the balance sheet based on current/ non-current classification.

Assets

An asset is classified as a current when it is:

- it is expected to be realized in, or is intended for sale or consumption in, the Group's normal operating cycle;

- it is expected to be realized within twelve months from the reporting date;

- it is held primarily for the purposes of being traded; or

- is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets are classified as non current

Medinova Diagnostic Services Limited

Notes to Consolidated Financial Statements for the year ended March 31, 2025

Liabilities

A liability is classified as a current when:

- it is expected to be realized in, or is intended for sale or consumption in, the Group's normal operating cycle;
 - it is due to be settled within twelve months from the reporting date;
 - it is held primarily for the purposes of being traded;
 - Deferred tax assets/liabilities are classified as non-current.
 - the Group does not have an unconditional right to defer settlement of liability for at least twelve months from the reporting date.
- All other liabilities are classified as non-current.

Operating Cycle

Operating cycle is the time between the acquisition of assets for processing and realisation in cash or cash equivalents. The Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

3 Summary of material accounting policies

A. Revenue recognition

i) Income from diagnostic services

Revenue from diagnostics services is recognized on amount billed net of discounts/ concessions if any. No element of financing is deemed present as the sales are made primarily on cash and carry basis, however for institutional/ organisational customers a credit period of 30 days is given, which is consistent with market practice.

A contract liability is the obligation to transfer services to a customer for which the Company has received consideration from the customer. If a customer pays consideration before the Company transfer services to the customer, a contract liability is recognised when the payment is made. Contract liabilities are recognised as revenue when the Company performs under the contract.

The Group recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and when the underlying tests are conducted, samples are processed for requisitioned diagnostic tests. Each service is generally a separate performance obligation and therefore revenue is recognised at a point in time when the tests are conducted, samples are processed. For multiple tests, the Group measures the revenue in respect of each performance obligation at its relative stand alone selling price and the transaction price is allocated accordingly. The price that is regularly charged for a test separately registered is considered to be the best evidence of its stand alone selling price. Revenue contracts are on principal to principal basis and the Group is primarily responsible for fulfilling the performance obligation.

B. Recognition of interest income

Interest income is recognised using the effective interest rate method.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

3 Summary of significant accounting policies (continued)

C. Borrowing cost

Borrowing costs are interest and other costs incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

D. Financial instruments

A financial instrument is any contract that gives rise to a Financial Asset of one entity and Financial liability or equity instrument of another entity.

i) Initial measurement and recognition

Financial assets and financial liabilities are initially recognised when the Group becomes a party to the contractual provisions of the instrument. A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

ii) Classification and subsequent measurement

Financial assets

All financial assets are initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

Subsequent measurement

For the purpose of subsequent measurement, financial assets are categorised as under:

- Amortised cost;
- Fair Value through Other Comprehensive Income (FVOCI) – equity investment; or
- Fair Value Through Profit or Loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Group changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Group may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Group may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets at FVTPL: These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.

Financial assets at amortised cost : These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

Equity investments at FVOCI: These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.

Financial Liabilities:

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in statement of profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in statement of profit or loss.

Derecognition - Financial assets

A Financial asset is primarily derecognised when the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Group enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

3 Summary of significant accounting policies (continued)

Derecognition - Financial liabilities

The Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired.

The Group also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

Financial Instruments Offsetting

Financial assets and financial liabilities are offset and the net amount reported in the balance sheet if there is a currently and legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

E. Property, plant and equipment

i) Recognition and measurement

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less accumulated depreciation and accumulated impairment loss, if any. Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to statement of profit or loss during the reporting period in which they are incurred. If an item of property, plant and equipment is purchased with deferred credit period from supplier, such asset is recorded at its cash price equivalent value.

ii) Depreciation

Depreciation is provided using the Written down value Method ("WDV") upto 31st December 2022, over the useful lives of the assets as estimated by the Management. Depreciation on additions and deletions are restricted to the period of use. Assets costing below Rs. 5,000 are depreciated in full in the same year.

With effect from 1st January 2023, the Group has changed its method of depreciation on all Property, Plant and Equipment from Written Down Value ("WDV") method to Straight Line Method ("SLM"), based upon the technical assessment of expected pattern of consumption of the future economic benefits embodied in the assets.

The Group entities, based on technical assessment and management estimate, depreciates certain items of property, plant and equipment over estimated useful lives which are different from the useful life prescribed in Schedule II to the Act. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. The Group has estimated the following useful lives to provide depreciation on its property, plant and equipment:

<i>Asset category</i>	<i>Useful life estimated by the Management</i>	<i>Useful life as per Schedule II</i>
Leasehold improvements	10 years	10 years
Plant and machinery	5 to 10 years	13 to 15 years
Furniture and fixtures	5 to 10 years	5 to 10 years
Computers and networks	3 to 6 years	3 to 6 years

Residual value is considered to be 5% on all the assets, as technically estimated by the management.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains or losses arising from disposal of fixed assets which are carried at cost are recognised in the statement of profit and loss.

F. Intangible assets

i) Recognition and measurement

Intangible assets that are acquired, are recognized at cost initially and carried at cost less accumulated amortization and accumulated impairment loss, if any. Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates.

ii) Amortization

Upto 31st December 2022, amortization is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the "written down value" (WDV) method, and is included in depreciation and amortization in statement of profit and loss.

With effect from 1st January 2023, the Group has changed its method of amortization from Written Down Value ("WDV") method to Straight Line Method ("SLM"), based upon the technical assessment of expected pattern of consumption of the future economic benefits embodied in the intangible assets.

The estimated useful life is as follows:

- Software - 3 years

Amortization method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

3 Summary of significant accounting policies (continued)

G. Capital work in progress

Capital work-in-progress is recognized at cost. It comprises of property, plant and equipment that are not yet ready for their intended use at the reporting date.

H. Inventories

Inventories comprise of diagnostic kits, reagents, laboratory chemicals and consumables, these are valued at lower of cost and net realizable value. Cost of inventories comprises of all costs of purchase and other costs incurred in bringing the inventories to their present location after adjusting for recoverable taxes, if any. Cost is determined on First-in-First-out basis. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses. The comparison of cost and net realisable value is made on an item-by-item basis.

I. Impairment of assets

i) Impairment of financial instruments

The Group recognises loss allowances for expected credit losses on financial assets measured at amortised cost. At each reporting date, the Group assesses whether financial assets carried at amortised cost are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer;
- a breach of contract;
- it is probable that the borrower will enter bankruptcy or other financial reorganization; or
- the disappearance of an active market for a security because of financial difficulties.

The Group measures loss allowances at an amount equal to lifetime expected credit losses.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Group is exposed to credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Group considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Group's historical experience and informed credit assessment and including forward-looking information.

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Group in accordance with the contract and the cash flows that the Group expects to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Group determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Group's procedures for recovery of amounts due.

3 Summary of significant accounting policies (continued)

ii) Impairment of non-financial assets

The Group's non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

The Group's corporate assets (e.g., central office building for providing support to various CGUs) do not generate independent cash inflows. To determine impairment of a corporate asset, recoverable amount is determined for the CGUs to which the corporate asset belongs.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss.

In respect of assets for which impairment loss has been recognised in prior periods, the Group reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss has been recognised.

J. Employee benefits

(i) Short-term employee benefits

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured on an undiscounted basis at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Defined contribution plans:

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Group makes specified monthly contributions towards Government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

(iii) Defined benefit plans:

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The liability or asset recognised in the balance sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by a qualified actuary using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

(iv) Other long-term employee benefits

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period by a qualified actuary using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

3 Summary of significant accounting policies (continued)

K. Leases

Lease contracts entered by the Company majorly pertains for buildings taken on lease to conduct its business in the ordinary course.

Company as a Lessor:

Leases for which the Company is a lessor are classified as a finance or operating lease. When ever the terms of a lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. Rental income from operating leases is recognised on straight line basis over the term of relevant lease.

Company as a Lessee:

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

The Company has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

L. Income-tax

Income-tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

(i) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

(ii) Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is not recognised for:

- temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction; and
- temporary differences related to investments in subsidiaries to the extent that the Group is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future;

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Group recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realized. Deferred tax assets – Unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realized.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

3 Summary of significant accounting policies (continued)

M. Provision, contingent liabilities and contingent assets

A provision is recognised if, as a result of a past event, the Group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised under finance costs. Expected future operating losses are not provided for.

Contingencies:

Provision in respect of loss contingencies relating to claims, litigations, assessments, fines and penalties are recognised when it is probable that a liability has been incurred and the amount can be estimated reliably.

Contingent liabilities and contingent assets:

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote.

Contingent assets has to be recognised in the financial statements in the period in which if it is virtually certain that an inflow of economic benefits will arise. Contingent assets are assessed continually and no such benefits were found for the current financial year.

N. Earnings per share

Basic Earnings Per Share ('EPS') is computed by dividing the net profit attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the year, unless issued at a later date. In computing diluted earnings per share, only potential equity shares that are dilutive and that either reduces earnings per share or increases loss per share are included. The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for the share splits.

O. Cash flow statement

Cash flows are reported using the indirect method, whereby net profit/ (loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from regular revenue generating (operating activities), investing and financing activities of the Group are segregated.

P. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Q. Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

R. Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Company

Bonus shares	-	-	-	-	-

(b) Other equity

	March 31, 2025	March 31, 2024
General reserve	62.46	62.46
Securities premium	51.55	51.55
Retained earnings	(1,234.45)	(1,422.16)
	<u>(1,120.47)</u>	<u>(1,308.14)</u>

Medinova Diagnostic Services Limited
Notes to Consolidated Financial Statements for the year ended March 31, 2025

(All amounts in Indian Rupees in lakhs, except for share data or as otherwise stated)

i) General reserve

	March 31, 2025	March 31, 2024
Balance at the commencement of the year	62.46	62.46
Add: Movement during the year	-	-
Balance as at the end of the year	62.46	62.46

The general reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to profit or loss.

ii) Securities premium

	March 31, 2025	March 31, 2024
Balance at the commencement of the year	51.55	51.55
Add: Movement during the year	-	-
Balance as at the end of the year	51.55	51.55

Securities premium is used to record the premium on issue of shares. It will be utilised in accordance with the provisions of the "Act".

iii) Retained earnings

	As at March 31, 2025	As at March 31, 2024
Balance at the commencement of the year	(1,422.16)	(1,623.27)
Add: Profit for the year	189.67	199.89
Less: Adjustment on consolidation (towards acquisition of Non Controlling Interest in Subsidiary)	-	-
<i>Items of other comprehensive income recognised directly in retained earnings</i>		
- Remeasurement of defined benefit plans, net of tax	(1.98)	1.22
Balance as at the end of the year	(1,234.45)	(1,422.16)

Retained earnings are the profits that the Company has earned till date, less any transfers to general reserve, dividends or other distribution to shareholders. OCI represents Re-measurement on defined benefit plans: Difference between the interest income on plan assets and the return actually achieved, any changes in the liabilities over the year due to changes in actuarial assumptions or experience adjustments within the plans, are recognised in other comprehensive income and subsequently not reclassified to statement of profit and loss.

Total Other equity (i+ii+iii)	(1,120.47)	(1,308.14)

23 Dues to micro and small enterprises

Details of dues to micro enterprises and small enterprises as defined under the MSMED Act, 2006

Particulars	March 31, 2025	March 31, 2024
(a) the principal amount and the interest due thereon remaining unpaid to any supplier at the end of each accounting year;		
- Principal	3.31	3.70
- Interest	-	-
(b) the amount of interest paid by the buyer in terms of Section 16 of the MSMED Act, along with the amount of the payment made to the supplier beyond the appointed day during each accounting year;	-	-
(c) the amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under this MSMED Act;	-	-
(d) the amount of interest accrued and remaining unpaid at the end of the each accounting year; and	-	-
(e) the amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise, for the purpose of disallowance of a deductible expenditure under Section 23 of the MSMED Act.	-	-

Note: The list of undertakings covered under MSMED Act was determined by the Group on the basis of information available with the Group and has been relied upon by the auditors.

24 Segment reporting

A. Basis for segmentation

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Group's other components, and for which discrete financial information is available. All operating segments results are reviewed regularly by the Group's Chairman and MD to make decisions about resources to be allocated to the segments and assess their performance.

Medinova Diagnostic Services Limited

Notes to Consolidated Financial Statements for the year ended March 31, 2025

(All amounts in Indian Rupees in lakhs, except for share data or as otherwise stated)

The Chief Operating Decision Maker ("CODM") evaluates the Group's performance and allocates resources based on an analysis of various performance indicators at operational unit level and since there is single operating segment, no segment disclosures of the Group is presented. The Group's operations fall within a single business segment "Diagnostic services".

B. Geographical information

The Group operates within India and therefore there is no assets or liabilities outside India.

C. Major customers

Revenue from any single customer of the Group's operating segment does not exceed 10% of the total revenue reported and hence the Management believes that there are no major customers to be disclosed.

Medinova Diagnostic Services Limited**Notes to Consolidated Financial Statements for the year ended March 31, 2025**

(All amounts in Indian Rupees in lakhs, except for share data or as otherwise stated)

25 Employee benefit plans

The Company has following post employment benefit plans:

(a) Defined contribution plans

Contributions were made to provident fund (at the rate of 12% of basic salary) and Employee State Insurance in India for the employees of the Company as per the regulations. These contributions are made to registered funds administered by the Government of India. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any other constructive obligation. The expense recognised during the year in the consolidated statement of profit and loss towards defined contribution plan is Rs. 12.87 lakhs (March 31, 2024: Rs. 13.16 lakhs).

(b) Defined benefit plan

The Company provides for Gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for Gratuity. The amount of Gratuity payable on retirement/ termination is the employee's last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service or part thereof in excess of six months, restricted to a sum of Rs. 20.00 lakhs. The gratuity plan is a unfunded plan.

i. Reconciliation of the net defined benefit (asset)/ liability

The amounts recognised in the balance sheet and the movements in the defined benefit obligation and fair value of plan assets over the year are as follows:

The amounts recognised in the balance sheet and the movements in the defined benefit obligation as per the valuation report as at March 31, 2025 are produced in the tables below

(a) Changes in the present value of obligation		
Particulars	Year ended	
	March 31, 2025	March 31, 2024
Present value of obligation as at the beginning	27.88	40.65
Current service cost	2.43	2.50
Interest expense or cost	1.99	2.97
Actuarial (gains) / losses		
- change in demographic assumptions	(0.27)	-
- change in financial assumptions	0.57	0.14
- experience variance (i.e. Actual experience vs assumptions)	2.36	(1.77)
Benefits paid	(12.25)	(16.62)
Present value of obligation as at end	22.70	27.88

(b) Bifurcation of Present Value of obligation at the end of the year

Particulars	As at	
	March 31, 2025	March 31, 2024
Current liability (Short-term)	5.65	9.21
Non-current liability (Long-term)	17.05	18.68
Present value of obligation	22.70	27.88

(c) Expenses Recognised in the Statement of profit and loss

Particulars	Year ended	
	March 31, 2025	March 31, 2024
Current service cost	2.43	2.50
Net interest cost / (income) on the net defined benefit liability / (asset)	1.99	2.97
Expenses recognised in the Statement of profit and loss	4.42	5.48

Medinova Diagnostic Services Limited
Notes to Consolidated Financial Statements for the year ended March 31, 2025

(All amounts in Indian Rupees in lakhs, except for share data or as otherwise stated)

25 Employee benefit plans (continued)
(b) Defined benefit plan (continued)

(d) Other Comprehensive Income		
Particulars	Year ended	
	March 31, 2025	March 31, 2024
Actuarial (gains) / losses	0.27	-
- change in demographic assumptions	(0.57)	(0.14)
- change in financial assumptions	(2.36)	1.77
- experience variance (i.e. Actual experience vs assumptions)	(2.65)	1.62
Components of defined benefit costs recognised in other comprehensive income		

ii. Actuarial assumptions

Principal actuarial assumptions for defined benefit obligation are as follows:

	March 31, 2025	March 31, 2024
Discount rate	6.50%	7.15%
Salary escalation rate	6.00%	6.00%
Attrition rate	15.00%	15.00%

Discount rate: The discount rate is based on the prevailing market yields of Indian government securities as at the balance sheet date for the estimated term of the obligations.

Salary escalation rate: The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors.

Attrition rate: Represents the Company's best estimate of employee turnover in future (other than on account of retirement, death or disablement) determined considering various factors such as nature of business, retention policy, industry factors, past experience, etc.

iii. Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation and current service cost by the amounts shown below:

	Increase in assumption by 1%		Decrease in assumption by 1%	
	March 31, 2025	March 31, 2024	March 31, 2025	March 31, 2024
Discount rate	-3.6%	-3.2%	3.9%	3.4%
Salary escalation rate	3.9%	3.4%	-3.7%	-3.3%
Attrition rate	-0.4%	-0.6%	0.9%	0.1%

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

iv. Maturity profile of the defined benefit liability

The weighted average duration of the defined benefit obligation is 4 years (March 31, 2024 - 3 years). The expected maturity analysis of defined benefit obligation on an undiscounted basis is as follows:

	Less than a year	Between 2-5 years	Between 6-10 years	More than 10 years
March 31, 2025	5.65	15.08	5.20	4.13
March 31, 2024	9.21	19.16	4.38	3.68

27 Capital management

The Group's policy is to maintain a stable and strong capital structure with a focus on equity so as to provide returns to shareholders, benefits to other stakeholders, creditors and to sustain future development and growth of the business. In order to maintain the capital structure, the Group monitors the return on capital as well as debt to total equity ratio. The Group aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to all its shareholders. For the purpose of debt to total equity, debt includes its long-term and short-term borrowings. Total equity comprises of issued share capital and all other equity reserves. Since the total equity is negative, Gearing ratio is not given.

28 Financial instruments**A. Accounting classifications and fair values**

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

Particulars	Note	March 31, 2025		March 31, 2024		Fair value level
		Amortised Cost	Fair value	Amortised Cost	Fair value	
Financial assets						
Trade receivables	5 (b)	54.57	-	42.58	-	Level 3
Security deposits	5 (c)	15.92	-	15.92	-	Level 3
Bank deposits	5 (c)	14.30	-	39.35	-	Level 3
Cash and cash equivalents	5 (d)	190.69	-	191.49	-	Level 3
Other financial assets	5 (c)	4.90	-	3.25	-	Level 3
Total financial assets		280.38	-	292.59	-	
Financial liabilities						
Borrowings	10 (a)	500.00	-	500.00	-	Level 3
Trade payables	10 (b)	228.47	-	237.15	-	Level 3
Other financial liabilities	10(c)	19.02	-	34.26	-	Level 3
Total financial liabilities		747.49	-	771.41	-	

Note: The Group has not disclosed the fair values for financial instruments such as short-term trade receivables or short-term trade payables because their carrying amounts are a reasonable approximation of fair values.

Note 1: For the purpose of above abbreviations, FVTOCI - Fair value through other comprehensive income; amortised cost - fair value through amortized cost

Note 2: Other financial assets and liabilities relate to level 3 financial instruments where the carrying value reasonably approximates to their fair value.

Medinova Diagnostic Services Limited
Notes to Consolidated Financial Statements for the year ended March 31, 2025
(All amounts in Indian Rupees in lakhs, except for share data or as otherwise stated)

28 Financial instruments - fair valuation and risk management (continued)

B. Financial Risk Management

The Group activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Trade receivables, security deposits, bank deposits and loans.	Ageing analysis. Credit score of customers/ entities.	Monitoring the credit limits of customers and obtaining security deposits.
Liquidity Risk	Borrowings	Cash flow forecasts managed by finance team under the overview of Senior Management.	Working capital management by Senior Management. The excess liquidity is channelised through bank deposits and investment in mutual funds.

The Group's risk management is carried out by the Senior Management under policies approved by the Board of Directors. The Board of Directors provides guiding principles for overall risk management, as well as policies covering specific areas such as credit risk and liquidity risk.

i. Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers and loans.

The Group has no significant concentration of credit risk with any counterparty.

Trade receivables and loans

Customer credit risk is managed by the respective department subject to Group's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit limits as defined by the Group. Outstanding customer receivables are regularly monitored.

Expected credit loss (ECL) assessment for individual customers:

As per simplified approach, the Group makes provision of expected credit losses on trade receivable using a provision matrix to mitigate the risk of default payment and make appropriate provision at each reporting date.

The ageing analysis of the receivables has been considered from the date the invoice falls due.

	< 365 days	> 365 days	Provision	Total
March 31, 2025	54.57	19.28	(19.28)	54.57
March 31, 2024	41.90	19.96	(19.28)	42.58

Management believes that the unimpaired amounts that are past due by more than 180 days are still collectible in full, based on historical payment behaviour and extensive analysis of customer credit risk.

The movement in the allowance for impairment in respect of trade receivables is as follows:

Balance at the beginning of the year

Add: Allowance measured at lifetime expected credit loss

Balance at the end of the year

March 31, 2025	March 31, 2024
19.28	1.28
-	18.00
19.28	19.28

Credit risk on cash and cash equivalents, deposits with banks is generally low as the said deposits have been made with the banks who have been assigned high credit rating by credit rating agencies.

Medinova Diagnostic Services Limited
Notes to Consolidated Financial Statements for the year ended March 31, 2025
(All amounts in Indian Rupees in lakhs, except for share data or as otherwise stated)

28 Financial instruments - fair valuation and risk management (continued)

B. Financial risk management (continued)

ii. Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

The finance team monitors rolling forecasts of the Group's liquidity position and cash and cash equivalents on the basis of expected cash outflows on trade payables and other financial liabilities and any excess/short liquidity is managed in the form of current borrowings and bank deposits as per the approved frame work.

Exposure to liability risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

March 31, 2025

Borrowings (including current maturities of long-term borrowings)
Trade payables
Other financial liabilities

Carrying amount	Total	Contractual cash flows			
		Less than 1 year	1-2 years	2-5 years	More than 5 years
500.00	500.00	500.00	-	-	-
228.47	228.47	228.47	-	-	-
19.02	19.02	19.02	-	-	-
747.49	747.49	747.49	-	-	-

March 31, 2024

Borrowings (including current maturities of long-term borrowings)
Trade payables
Other financial liabilities

Carrying amount	Total	Contractual cash flows			
		Less than 1 year	1-2 years	2-5 years	More than 5 years
500.00	500.00	500.00	-	-	-
237.15	237.15	237.15	-	-	-
34.26	34.26	34.26	-	-	-
771.41	771.41	771.41	-	-	-

Except for these financial liabilities, it is not expected that cash flows included in the maturity analysis could occur significantly earlier, or at significantly different amounts.

iii. Market risk

Market risk is the risk that results from changes in market prices - such as foreign exchange rates, interest rates and others which will affect the Group's income. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

Medinova Diagnostic Services Limited

- Contract liability- deferred revenue	-	-
Reconciliation of revenue from contract with customers		
Particulars	As at March 31, 2025	As at March 31, 2024
Revenue from contract with customer as per the contract	965.83	981.50
Adjustments made to contract price on account of :-		
Discount / Rebates	8.45	31.30
Revenue from contract with customer	974.28	1,012.80
Other operating revenue	7.01	3.72
Revenue from operations	981.29	1,016.52

30 Code on Social Security, 2020:

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Company will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

31 Ratios as per the Schedule III requirements

a) Current Ratio = Current Assets divided by Current Liabilities

Particulars	March 31, 2025	March 31, 2024
Current Assets	421.15	259.97
Current Liabilities	297.71	328.32
Ratio	1.41	0.79
% Change from previous year	79%	

This ratio has increased from 0.79 in March 2024 to 1.41 in March 2025 mainly due to increase in Current investments

b) Debt Equity ratio = Total debt divided by Total equity

Since the total equity is negative, ratio is not given

c) Debt Service Coverage Ratio = Earnings available for debt services divided by Total interest and principal repayments

Particulars	March 31, 2025	March 31, 2024
Profit after tax	189.67	199.89
Add: Non cash operating expenses and finance cost	64.47	70.13
-Depreciation and amortizations	14.47	12.73
-Finance cost	50.00	57.40
Earnings available for debt services	254.14	270.01
Interest cost on borrowings	50.00	57.40
Installments	-	75.00
Total Interest and installments	50.00	132.40
Ratio	5.08	2.04
% Change from previous year	149%	

Reasons for change more than 25%:

This ratio has increased from 2.04 in March 2024 to 5.08 in March 2025 mainly due to decrease in profit after tax and there is no repayment of loan during the year.

d) Return on Equity Ratio = Net profit after tax divided by Equity

Since the total equity is negative, this ratio is not given

e) Inventory Turnover Ratio = Cost of goods sold divided by closing inventory

Particulars	March 31, 2025	March 31, 2024
Cost of Goods sold	64.32	100.29
Closing Inventory	14.98	13.58
Inventory Turnover Ratio	4.29	7.39
% Change from previous year	-42%	

Reason for change more than 25%:

This ratio has decreased from 7.39 in March 2024 to 4.29 in March 2025 mainly due to decrease in Cost of goods sold and increase in closing inventory

f) Trade Receivables turnover ratio = Credit Sales divided by Closing trade receivables

Particulars	March 31, 2025	March 31, 2024
Credit Sales	173.27	173.27
Closing Trade Receivables	54.57	42.58
Ratio	3.18	4.07
% Change from previous year	-22%	

g) Trade payables turnover ratio = Credit purchases divided by closing trade payables

Particulars	March 31, 2025	March 31, 2024
Credit Purchases	426.08	499.63
Closing Trade Payables	228.47	237.15
Ratio	1.86	2.11
% Change from previous year	-11%	

h) Net capital Turnover Ratio = Sales divided by Working capital whereas working capital= current assets - current liabilities

As the working capital is negative, this ratio is not given

i) Net profit ratio = Net profit after tax divided by Sales

Particulars	March 31, 2025	March 31, 2024
Net profit after tax	189.67	199.89
